G. MOTION – ESTABLISHMENT OF NATIONAL TEACHING AND REFERRAL HOSPITALS IN KENYA

(Sen. Johnes Mwaruma, MP)

AWARE THAT Article 43 (1) (a) of the Constitution of Kenya provides that every person has the right to the highest attainable standard of health, including reproductive health care;

NOTING THAT in Kenya, we have five National Teaching and Referral hospitals with Kenyatta University Research and Teaching Hospital in Kiambu County and Moi Teaching and Referral Hospital in Eldoret, Uasin Gishu County being the only ones outside Nairobi County;

CONCERNED THAT the bed capacity, medical equipment and human capital in these National Teaching and Referral hospitals are not sufficient to absorb all the patients seeking specialized treatment;

FURTHER CONCERNED THAT many Kenyans with critical health conditions travel long distances in order to access specialized services in Moi Teaching and Referral Hospital in Eldoret or Nairobi where the other four National Teaching and Referral hospitals are located, leading to high cost of travel, augmented disease and in some cases deaths along the way;

NOW THEREFORE the Senate urges-

1. The Ministry of Health to:
 - i. Establish National Teaching and Referral hospitals in the Coast, Eastern, North Eastern, Nyanza and Western regions; and
 - ii. Fully equip the National Teaching and Referral Hospitals with modern medical equipment, medical supplies and personnel; and
2. The County Governments to allocate more funds to their respective health dockets to adequately facilitate their County Level 5 and Level 6 hospitals in order to enhance provision of critical health services to reduce the demand for such services from the National Teaching and Referral Hospitals.

H. MOTION - DEVELOPMENT OF A POLICY AND LAW FOR SOCIAL RISK MANAGEMENT IN INFRASTRUCTURE DEVELOPMENT PROJECTS IN KENYA

(Sen. Catherine Mumma, MP)

AWARE THAT the Constitution has entrenched a strong Bill of Rights in Chapter 4, which recognizes human rights including socio-economic rights and the principle of equality and non-discrimination;

FURTHER AWARE THAT Kenya lacks a policy for guiding the management of these Social Risks in the design and implementation of infrastructure projects;

CONCERNED THAT inadequate attention to social risks in the planning and implementation of development projects at both national and county levels makes them unacceptable and end up costing the taxpayer colossal sums of money in suits filed before the courts and tribunals by local communities and affected interest groups seeking protection from such social risks;

NOW, THEREFORE, the Senate resolves that:

1. The National and County Governments develop a Social Risk Management Policy that outlines the standards, guidelines and procedures for guiding infrastructure and other development projects both at the national and county governments; and
2. The national executive establishes an independent multi-sectoral agency under the authority of the Cabinet secretary in charge of Social Security and Protection to design a mechanism that can factor in the inclusion of Social Impact Assessments standards and monitor their implementation in infrastructure and other development projects in Kenya.

I. MOTION - COUNTY GOVERNMENTS TO SET ASIDE LAND FOR THE PLANTING OF INDIGENOUS TREES

(Sen. Richard Onyonka, MP)

THAT, AWARE of the crucial role played by indigenous trees in purification of air and combating of climate change, protection against floods and water pollution, in the field of medicine, nutrition and timber production, among other roles;

APPRECIATING that the National Government, through the National Landscape and Ecosystem Restoration Programme, plans to increase the national forest cover to 30% by planting fifteen (15) billion trees and, in furtherance of the Programme, gazetted 13th November, 2023 as a Public Holiday to allow Kenyans to plant trees;

CONCERNED that the Government is yet to establish elaborate measures for the growing and protecting of indigenous trees and to involve such crucial players as the County Governments, hence impeding the sustainability of the programme;

NOW, THEREFORE, the Senate urges the 47 county Governments to set aside land and resources to be used in the planting and protection of indigenous trees, in support of the initiatives by the National Government.

J. MOTION – ADJOURNMENT OF THE SENATE
