And there being a Quorum before the expiry of the ten minutes;

4. **COMMUNICATIONS FROM THE CHAIR**

The Speaker made the following Communications from the Chair: -

**i. Maintenance of Decorum in the Senate**

“Honourable Senators,

I wish to bring to your attention that recently, there have been concerning trends in the conduct of Senators during Plenary proceedings. Instances of lack of decorum in debate, during Divisions, and disruptive actions, including the use of mobile phones have become increasingly common. I have on several occasions cautioned individual Senators on the need to maintain order during Plenary proceedings, thereby, necessitating me to address this matter substantively.

As the custodian of parliamentary etiquette, it is my duty to emphasize the importance of maintaining decorum in the Plenary.

Honourable Senators,

Decorum in parliamentary proceedings is one of the cornerstones of a functional and effective legislature. Maintaining decorum in Plenary ensures debates are conducted in a respectful, orderly and systematic manner, which not only upholds the integrity and credibility of Parliament but also sets a positive example in the management of public affairs.

Respectful conduct, adherence to speaking protocols, and civility towards fellow Senators are not just formalities but standards that must be upheld by all Senators. While it is natural for us to have differing opinions and perspectives, it is crucial that we express these views in a manner that is respectful and conducive to constructive dialogue.

Disruptive behavior, shouting matches, or personal attacks only serve to undermine the integrity of this institution and erode public trust. We must, therefore, commit ourselves to a higher standard of conduct, as the electorate, expect no less from their representatives.

Honourable Senators,

For purposes of clarity, Part XVIII of the Standing Orders provides for inter-alia –

1. Languages during Plenary;
2. Points of Order;
3. Contents of speech;
4. Retraction and apologies;
5. Matters sub judice; and
6. Responsibility for statement of fact.

Further, Part XX of the Standing Orders outline provisions on order in the Senate and in committees. This part provides for inter-alia –

1. Maintenance of Order in the Senate;
2. Irrelevance and repetitions;
3. Disorderly conduct; and
4. Gross disorderly conduct.

I must stress the importance of adherence to and respect for these rules by all Honourable Senators for the smooth conduct of chamber proceedings. I, therefore, call upon every Senator to familiarize themselves with the rules and conduct themselves accordingly.

I wish to make it unequivocally clear that I will not hesitate to invoke the provisions under the Standing Orders on any Senator who is deemed to be disorderly or in violation of parliamentary decorum, including disruptive use of mobile phones.

Honourable Senators,

In conclusion, I implore all Honourable Senators to uphold the highest standards of decorum in the discharge of our mandate.

I thank you.”

**ii. Visiting Delegation from the County Assembly of Kajiado**

“Honourable Senators,

I would like to acknowledge the presence, in the Speaker’s Gallery this afternoon, five (5) Officers from the Committee on Post-Retirement Medical Scheme (PRMS) of the County Assembly of Kajiado, who are on a benchmarking visit with their counterparts in the Senate.

Honourable Senators,

In our usual tradition of receiving and welcoming visitors to Parliament, I extend a warm welcome to them and, on behalf of the Senate and on my own behalf, wish them a fruitful visit.

I thank you.”

**iii. Visiting Teachers and Students from All Saints Karambari Secondary School in Embu County**

“Honourable Senators,

I would like to acknowledge the presence, in the Public Gallery this afternoon, visiting teachers and students from All Saints Karambari Secondary School in Embu County. The delegation is in the Senate for a one-day academic exposition.

Honourable Senators,

In our usual tradition of receiving and welcoming visitors to Parliament, I extend a warm welcome to them and, on behalf of the Senate and on my own behalf, wish them a fruitful visit.

I thank you.”

**iv. Substantiation of Statement made by Sen. Samson Cherarkey, MP, during the Sitting of the Senate held on Tuesday, 14<sup>th</sup> May 2024**

“Honourable Senators,

As you may recall, at the sitting of the Senate held on Tuesday, 14<sup>th</sup> May 2024, the Senator for Nandi County, Sen. Samson Cherarkey, made utterances while contributing to a Petition to the Senate, by Mr. Japhet Makokha, seeking an

amendment to Section 32(3) of the County Governments Act. The Senator for Siaya County, Sen. (Dr.) Oburu Oginga, MP, rose on a Point of Order, pursuant to Standing Order 105 (1), seeking the intervention of the Speaker to require the Senator for Nandi County to substantiate the utterances.

The statement that Sen. (Dr.) Oburu Oginga, MP, required substantiation from Sen. Samson Cherarkey, MP, was –

*“---For example, we have seen governors frustrate their deputy governors. For example, we have seen that the Deputy Governor of Siaya County cannot access his office. He does not have a vehicle, fuel, or any resources allocated--”*

In the opinion of Sen. (Dr.) Oburu Oginga, MP, the statement made by Sen. Samson Cherarkey, MP, was a wild allegation that needed to be substantiated.

I then directed Sen. Samson Cherarkey, MP, to substantiate the above allegation as required pursuant to Standing Order 105 (1). In line with Standing Order 105(2), Sen. Samson Cherarkey, MP, requested to table documents in support of the statement at the next sitting.

Honourable Senators,

At the Sitting of the Senate held on Wednesday, 15th May, 2024, I invited Sen. Cherarkey, MP to forthwith substantiate the claims, as raised in the point of order by Sen. (Dr.) Oburu Oginga, MP. Thereupon, Sen. Cherarkey, MP, tabled a letter dated 6th May, 2024, from the Deputy Governor for Siaya County, Hon. (Dr.) William Oduol, addressed to the Speaker of the Senate.

In the letter, the Deputy Governor for Siaya County, sought the intervention of the Senate concerning alleged refusal by the Governor, to accept the Deputy Governor back to the County, despite the Senate’s verdict on this proposed removal by impeachment.

Honourable Senators,

As you may recall, in my communications to the Senate made on 1<sup>st</sup> and on 16<sup>th</sup> November, 2023, I indicated that any document/evidence tabled by a Senator, as evidence for substantiation of any allegations made under Standing Order No. 105, must pass a certain threshold. I highlighted the parameters for undertaking an assessment of the evidence tabled to include –

1. Is the evidence tabled from a source which by parliamentary practice is official and admissible? and
2. If the answer to (a) is in the affirmative, does the evidence relate to and verify the claim(s) that were made and for which substantiation was required?

The requirement by the Speaker in this matter was to review the document tabled by Sen. Cherarkey, MP, establish the connection with the utterances made by the Senator, and to finally make a determination on whether the evidence was admissible or not.

Honourable Senators,

A reading of the contents of the letter by the Deputy Governor at pages 3 and 4 state that he has been excluded from the Siaya County Executive Committee meetings, his utility car and security officers have been withdrawn, fuel provision for his official car had been stopped and that attempts to resolve the matter with relevant authorities within the county government proved futile.

That being the case, and having examined the contents of the letter, by the Deputy Governor and tabled by Sen. Cherarkey, MP, I make a determination that the contents thereof have met the established threshold. Consequently, the letter tabled is admissible as evidence in the Senate.

I thank you.”
