30. **MOTION - ADDRESSING THE CHALLENGE OF POWER PURCHASE AGREEMENT RENEWALS AND ELECTRICITY SUPPLY IN KENYA**

(The Chairperson, Standing Committee on Energy)

THAT, AWARE THAT on 29th March 2021, a presidential taskforce was formed to review power purchase agreements between the Government and Independent Power Producers, during which a moratorium was imposed on Kenya Power and Lighting Company (KPLC), preventing KPLC from signing new agreements or renewing existing ones with Independent Power Producers, which moratorium was lifted by the Cabinet in March 2023;

FURTHER AWARE THAT the National Assembly, vide a Motion adopted on 19th April, 2023 placed a moratorium, restricting KPLC from signing and renewing power purchase agreements (PPAs) with Independent Power Producers (IPPs) pending a report of inquiry by the Departmental Committee on Energy and the consequent House resolution on the report;

CONCERNED THAT Kenya imports 17% of its electricity from neighboring countries and faces a challenge as the growing demand for electricity is conflicted with the lengthy process of developing power plants, which usually takes 6-10 years from conception to generation, leading to electricity shortage and load shedding which impedes economic growth;

COGNIZANT of the Senate resolution of 28th February, 2024 on a Motion by the Standing Committee on Energy on inquiry into the high cost of electricity in the country calling upon the Ministry of Energy to, among others, create a one stop IPP office that comprises all the stakeholders required for approval of power plants and that the Ministry, through KPLC and Independent Power Producers renegotiate the current power purchase agreements within 12 months of adoption of the report;

NOW THEREFORE notwithstanding the resolution of the National Assembly that imposed a moratorium on Kenya Power whose timeline has lapsed, the Senate, in order to cushion Kenyans from the high cost of electricity, resolves:

...../Motion

- i. that the Ministry of Energy and Petroleum and Kenya Power and Lighting Company be allowed to enter into new power purchase agreements or renew existing power purchase agreements with Independent Power Producers; and
- ii. that the Energy and Petroleum Regulatory Authority (EPRA) fast tracks the acquisition of necessary licenses required by Independent Power Producers with valid power purchase agreements for setting up power plants.

NOTICE

The Senate resolved on 14th February, 2024 as follows: -

THAT, pursuant to Standing Order 111 (1), the Senate resolves that debate on a Motion not sponsored by the Majority or Minority Party or a Committee shall be limited in the following manner: -

A maximum of three hours with not more than twenty minutes for the Mover, twenty minutes for the Majority Party Official Responder, twenty minutes for the Minority Party Official Responder and fifteen minutes for each other Senator speaking and that fifteen minutes before the time expires, the Mover shall be called upon to reply.
