30. **MOTION - DEVELOPMENT OF A POLICY AND LAW FOR SOCIAL RISK MANAGEMENT IN INFRASTRUCTURE DEVELOPMENT PROJECTS IN KENYA**

(Sen. Catherine Mumma, MP)

**AWARE THAT** the Constitution has entrenched a strong Bill of Rights in Chapter 4, which recognizes human rights including socio-economic rights and the principle of equality and non-discrimination;

...../Motion

**FURTHER AWARE THAT** Kenya lacks a policy for guiding the management of these Social Risks in the design and implementation of infrastructure projects;

**CONCERNED THAT** inadequate attention to social risks in the planning and implementation of development projects at both national and county levels makes them unacceptable and end up costing the taxpayer colossal sums of money in suits filed before the courts and tribunals by local communities and affected interest groups seeking protection from such social risks;

**NOW, THEREFORE,** the Senate resolves that:

1. The National and County Governments develop a Social Risk Management Policy that outlines the standards, guidelines and procedures for guiding infrastructure and other development projects both at the national and county governments; and
2. The national executive establishes an independent multi-sectoral agency under the authority of the Cabinet secretary in charge of Social Security and Protection to design a mechanism that can factor in the inclusion of Social Impact Assessments standards and monitor their implementation in infrastructure and other development projects in Kenya.

31. **MOTION - CONSOLIDATION OF BURSARY FUNDS FOR EQUITABLE ACCESS TO EDUCATION IN KENYA**

(Sen. Karungo Thangwa, MP)

**THAT AWARE THAT,** Pursuant to Article 53 of the Constitution, every child in Kenya is entitled to free and compulsory basic education, and the Basic Education Act provides that, basic education should be guided by principles such as equitable access to all youth and equal access to education or institutions;

**FURTHER AWARE THAT,** many students in secondary schools and higher education institutions come from financially disadvantaged backgrounds, making it difficult for them to afford school fees and access education opportunities;

**NOTING THAT,** over the years, various interventions have been made, including the issuance of bursaries through the National Government Constituency Development Fund (NCDF), National Government Affirmative Action Fund (NGAAF), the Ministry of Education and county governments through various county bursary funds;

**CONCERNED THAT,** despite these efforts, schools fees remain unaffordable for many parents and the allocation of bursaries has been plagued by nepotism, favoritism, and political manipulation, lack of transparency and accountability;

...../Motion

**FURTHER CONCERNED THAT** public learning institutions are primarily funded by the Government through the Ministry of Education, and in the financial year 2024/25, approximately Kshs. 656 billion was allocated to the education sector, making it difficult to ascertain the specific funds granted to each student and that the lack of transparency in the disbursement of bursaries from various agencies makes it difficult to determine the total amount allocated in a financial year, thus hindering efforts to ensure equitable access to education for financially disadvantaged students;

**NOW THEREFORE,** the Senate urges the Ministry of Education, to:

- 1) audit the funds allocated to bursaries by both the National Government and county governments;
- 2) consolidate the funds distributed by various government entities and agencies, with the aim of directing these funds directly to schools as supplementary capitation to facilitate the achievement of free secondary education; and
- 3) calculate the cost of education per learner and make this information public for primary, secondary, and tertiary institutions, including a detailed breakdown of the annual financial requirements for each student across the country.
