L. MOTION - ESTABLISHMENT OF NATIONAL TEACHING AND REFERRAL HOSPITALS IN KENYA

(Sen. Johnes Mwaruma, MP)

THAT, AWARE THAT Article 43 (1) (a) of the Constitution of Kenya provides that every person has the right to the highest attainable standard of health, including reproductive health care;

NOTING THAT in Kenya, we have five National Teaching and Referral hospitals with Kenyatta University Research and Teaching Hospital in Kiambu County and Moi Teaching and Referral Hospital in Eldoret, Uasin Gishu County being the only ones outside Nairobi County;

CONCERNED THAT the bed capacity, medical equipment and human capital in these National Teaching and Referral hospitals are not sufficient to absorb all the patients seeking specialized treatment;

FURTHER CONCERNED THAT many Kenyans with critical health conditions travel long distances in order to access specialized services in Moi Teaching and Referral Hospital in Eldoret or Nairobi where the other four National Teaching and Referral hospitals are located, leading to high cost of travel, augmented disease and in some cases deaths along the way;

NOW THEREFORE the Senate urges-

1. The Ministry of Health to:
 - i. Establish National Teaching and Referral hospitals in the Coast, Eastern, North Eastern, Nyanza and Western regions; and
 - ii. Fully equip the National Teaching and Referral Hospitals with modern medical equipment, medical supplies and personnel; and
2. The County Governments to allocate more funds to their respective health dockets to adequately facilitate their County Level 5 and Level 6 hospitals in order to enhance

provision of critical health services to reduce the demand for such services from the National Teaching and Referral Hospitals.

M. MOTION - CONSOLIDATION OF BURSARY FUNDS FOR EQUITABLE ACCESS TO EDUCATION IN KENYA

(Sen. Karungo Thangwa, MP)

THAT AWARE THAT, Pursuant to Article 53 of the Constitution, every child in Kenya is entitled to free and compulsory basic education, and the Basic Education Act provides that, basic education should be guided by principles such as equitable access to all youth and equal access to education or institutions;

FURTHER AWARE THAT, many students in secondary schools and higher education institutions come from financially disadvantaged backgrounds, making it difficult for them to afford school fees and access education opportunities;

NOTING THAT, over the years, various interventions have been made, including the issuance of bursaries through the National Government Constituency Development Fund (NCDF), National Government Affirmative Action Fund (NGAAF), the Ministry of Education and county governments through various county bursary funds;

CONCERNED THAT, despite these efforts, schools fees remain unaffordable for many parents and the allocation of bursaries has been plagued by nepotism, favoritism, and political manipulation, lack of transparency and accountability;

FURTHER CONCERNED THAT public learning institutions are primarily funded by the Government through the Ministry of Education, and in the financial year 2024/25, approximately Kshs. 656 billion was allocated to the education sector, making it difficult to ascertain the specific funds granted to each student and that the lack of transparency in the disbursement of bursaries from various agencies makes it

difficult to determine the total amount allocated in a financial year, thus hindering efforts to ensure equitable access to education for financially disadvantaged students;

NOW THEREFORE, the Senate urges the Ministry of Education, to:

- 1) audit the funds allocated to bursaries by both the National Government and county governments;
- 2) consolidate the funds distributed by various government entities and agencies, with the aim of directing these funds directly to schools as supplementary capitation to facilitate the achievement of free secondary education; and

- 3) calculate the cost of education per learner and make this information public for primary, secondary, and tertiary institutions, including a detailed breakdown of the annual financial requirements for each student across the country.
