And Quorum having been attained within ten minutes, proceedings commenced.

5. **COMMUNICATION FROM THE CHAIR**

The Speaker issued the following Communications from the Chair—

(i) **Commencement of the resolution with respect to reconstitution of Committees**

“Honourable Members, you will recall that during yesterday’s afternoon sitting of Wednesday, 5th March 2025, the House approved the appointment of Members to forty-one Committees. As you are aware, Standing Order 179(2) requires that whenever a vacancy arises in the office of Chairperson or Vice-Chairperson of a select committee, the Clerk shall, within seven days, appoint a place and time for the meeting of a Committee to elect its Chairperson and Vice-Chairperson. In that regard, I instructed the Clerk to prepare a schedule for the affected committees to convene and conduct the said elections.

Honourable Members, a concern has arisen regarding whether Members who were appointed to the respective Departmental Committees may participate in the legislative business that was already before the Committees.

Honourable Members, you will note that in today’s order Paper there a rectification being made to correct the Resolution of the House with respect to three Committees. Further, it’s notable that the Departmental Committees are engaged in the process of considering the 2025 Budget Policy Statement and Supplementary Estimates for FY2024/25. These processes which have statutory timelines are not to be interrupted by the changes made to Committees yesterday.

In this regard, **Honourable Members,** it is hereby clarified that the Resolution of the House with respect to reconstitution of Committees and indeed the changes to be made today will commence on **Wednesday, 12th March 2025**. The Clerk is therefore directed to circulate a consolidated schedule showing the place and time of election of Chairpersons and Vice-Chairpersons of all affected Committees before the rise of the House today.

For clarity, **Honourable members**, the counting of the Seven-day period contemplated under Standing Order 179(2) shall commence tomorrow, Friday, 7th March 2025. This implies that the elections for Chairpersons and Vice-Chairpersons of the specified Committees will be held on **Wednesday, 12th March 2025**, or **Thursday, 13th March 2025**. The House is accordingly guided. **I thank you!**

(ii) Invitation to Muslim Members of Parliament to the Parliamentary Iftar Dinner

“Honourable Members, as you are aware, our brothers and sisters of the Islamic faith are observing the holy month of *Ramadan* which commenced last Saturday, 1st March 2025.

You will recall that last year we hosted the inaugural *Iftar Dinner* for Members of Parliament who profess the Islamic faith and invited guests. The hosting of the Dinner is in furtherance of Parliament’s Strategic Pillar Three on enhancing Public Trust through parliamentary outreach and embracing the diversity of our nation’s character.

Hon. Members, during the inaugural dinner, it was agreed that the event be included in the Parliamentary Calendar and be hosted on an annual basis. In this regard, the Rt. Hon. Speaker of the Senate and I hereby extend an invitation to all members of the Islamic faith in both Houses of Parliament for this year’s *Parliamentary Iftar Dinner*. The event will be held on **Thursday, 13th March 2025 at the Parliament Gardens, Main Parliament Buildings, from 5:30pm.**

We have also invited the Leadership of both Houses, members of the House Business Committee, dignitaries from the other arms of the national government as well as members of the diplomatic corps to the dinner.

I take this opportunity to wish the Muslim Community *Ramadan Mubarak* and *Saum Maqbul*. **I thank you!**

(iii) Corrigendum - Stay of consideration of the Kenya Sign Language Bill (National Assembly Bill No. 1 Of 2024)

“Honourable Members, you will recall that during the afternoon sitting of Wednesday, 5th March 2025, I guided the House on the stay of consideration of the Kenya Sign Language Bill (National Assembly Bill No. 1 of 2024). The Bill is sponsored by the Hon. Umulkher Harun Mohamed, MP (Nominated).

Honourable Members, in the Communication, I indicated that the Bill has similar proposals as those contained in the Kenyan Sign Language Bill (Senate Bill No. 9 of 2023), co-sponsored by Sen. Crystal Asige, MP and the Minority Whip, the Hon. Millie Odhiambo-Mabona, CBS, MP which is also before the House.

Honourable Members, I wish to clarify that the Kenyan Sign Language Bill (Senate Bill No. 9 of 2023), sponsored by Sen. Crystal Asige, MP, is to be co-sponsored by Nominated Member, the Hon. Umulkher Harun, MP in the National Assembly. **The House is accordingly guided. I thank you!**

7. NOTICES OF MOTION

The following Notice of Motion was given by the Member for Westlands (Hon. Timothy Wanyonyi)—

Formulation of a Land Use Policy on zoning of land for Agriculture and Built Environment

THAT, aware that land is a critical but limited factor of production that supports human habitation and food production; noting that, agriculture is Kenya's economic mainstay; **appreciating that**, that the Central Bank of Kenya (CBK) *Monetary Policy Committee Agriculture Sector Survey 2022* estimated the contribution of the agriculture sector to the country's Gross Domestic Product (GDP) to be 22% directly and 27% indirectly, through its linkages with other sectors; **further appreciating that**, the Survey showed that the sector employs over 40% of the Kenya's total population; **concerned that**, in the *Land Reform, Vol. 3* publication, the Kenya Land Alliance Land estimated that only 17% of the country's land mass is classified as suitable for rain-fed agriculture land while the remainder is either semi-arid or arid; **further concerned that**, the country's agricultural productivity has been decreasing over the years; **cognizant of the fact that**, the decline in agricultural productivity is partly attributable to the shrinking agricultural land due to unplanned settlements that encroach on agricultural lands; **further concerned that**, agricultural lands in rural areas are continually being subdivided into small portions for built development, thereby diminishing the size of land available for agriculture; **noting that**, there is need to put in place measures for effective land use in the country in order to guarantee optimal use of agriculture; **now therefore, this House resolves that**, the Government, through the Ministry of Lands, Public Works, Housing and Urban Development puts in place a policy framework for effective land use in rural areas by consolidating and designating zones for built development for commercial and residential developments with shared public utilities and separate zones for agricultural use in order to arrest further diminishing of agricultural land and steady the country's agricultural productivity.
