v) **WELFARE OF INTERNS WORKING UNDER THE PUBLIC SERVICE COMMISSION (PSC)**

(Sen. Samson Cherarkey, MP)

THAT, AWARE THAT, the Public Service Commission has provided internship opportunity to many youths in various government Departments and Agencies for a period not exceeding one year pursuant to Guidelines on Management of the Public Service Internship Programme of October, 2019;

APPRECIATING THAT, since its inception, the internship programme in Kenya has been instrumental in providing practical experience to graduates, enhanced employability, offered networking opportunities and has on a number of occasions led to full-time jobs to graduates;

CONCERNED THAT, internship opportunities are limited in number, skewed in distribution across government Departments and Agencies, lack clear pathway to permanent employment, have inadequate opportunities for skill development due to the short duration that they are offered and that the stipend offered to PSC interns is insufficient with an average stipend ranging from Ksh. 15,000 to Ksh. 30,000 per month which is not sustainable especially to interns living in major cities like Nairobi, Mombasa and Kisumu where the cost of living is too high;

NOW THEREFORE the Senate resolves that the Cabinet Secretary for Public Service and Human Capital Development in consultation with the Public Service Commission reviews the Guidelines to the Public Service Internship Programme of October, 2019 with a view to:-

1. increase the stipend offered to interns to cushion them against the high cost of living; and
2. put in place mechanisms to promote and reward innovation by interns.
