11. **MOTION - ESTABLISHMENT OF NATIONAL TEACHING AND REFERRAL HOSPITALS IN KENYA**

(Sen. Johnes Mwaruma, MP)

THAT, AWARE THAT Article 43 (1) (a) of the Constitution of Kenya provides that every person has the right to the highest attainable standard of health, including reproductive health care;

NOTING THAT in Kenya, we have five National Teaching and Referral hospitals with Kenyatta University Research and Teaching Hospital in Kiambu County and Moi Teaching and Referral Hospital in Eldoret, Uasin Gishu County being the only ones outside Nairobi County;

CONCERNED THAT the bed capacity, medical equipment and human capital in these National Teaching and Referral hospitals are not sufficient to absorb all the patients seeking specialized treatment;

FURTHER CONCERNED THAT many Kenyans with critical health conditions travel long distances in order to access specialized services in Moi Teaching and Referral Hospital in Eldoret or Nairobi where the other four National Teaching and Referral hospitals are located, leading to high cost of travel, augmented disease and in some cases deaths along the way;

NOW THEREFORE the Senate urges-

1. The Ministry of Health to:

- i. Establish National Teaching and Referral hospitals in the Coast, Eastern, North Eastern, Nyanza and Western regions; and
- ii. Fully equip the National Teaching and Referral Hospitals with modern medical equipment, medical supplies and personnel; and

..... /Motion

2. The County Governments to allocate more funds to their respective health dockets to adequately facilitate their County Level 5 and Level 6 hospitals in order to enhance provision of critical health services to reduce the demand for such services from the National Teaching and Referral Hospitals.
