F. MOTION - ESTABLISHMENT OF NATIONAL TEACHING AND REFERRAL HOSPITALS IN KENYA

(Sen. Johnes Mwaruma, MP)

THAT, AWARE THAT Article 43 (1) (a) of the Constitution of Kenya provides that every person has the right to the highest attainable standard of health, including reproductive health care;

NOTING THAT in Kenya, we have five National Teaching and Referral hospitals with Kenyatta University Research and Teaching Hospital in Kiambu County and Moi Teaching and Referral Hospital in Eldoret, Uasin Gishu County being the only ones outside Nairobi County;

CONCERNED THAT the bed capacity, medical equipment and human capital in these National Teaching and Referral hospitals are not sufficient to absorb all the patients seeking specialized treatment;

FURTHER CONCERNED THAT many Kenyans with critical health conditions travel long distances in order to access specialized services in Moi Teaching and Referral Hospital in Eldoret or Nairobi where the other four National Teaching and Referral hospitals are located, leading to high cost of travel, augmented disease and in some cases deaths along the way;

NOW THEREFORE the Senate urges-

1. The Ministry of Health to:
 - i. Establish National Teaching and Referral hospitals in the Coast, Eastern, North Eastern, Nyanza and Western regions; and
 - ii. Fully equip the National Teaching and Referral Hospitals with modern medical equipment, medical supplies and personnel; and
2. The County Governments to allocate more funds to their respective health docket to adequately facilitate their County Level 5 and Level 6 hospitals in order to enhance provision of critical health services to

reduce the demand for such services from the National Teaching and Referral Hospitals.

H. MOTION - IMPLEMENTATION OF AN AUTOMATED AND DECENTRALIZED CERTIFICATE OF GOOD CONDUCT SYSTEM IN KENYA

(Sen. Joe Nyutu, MP)

THAT AWARE THAT a Certificate of Good Conduct is a major requirement for Kenyan citizens in accessing employment, business opportunities,

and, in some instances, financial engagements with financial institutions in Kenya, with the certificate having a validity period of one year;

CONCERNED THAT many Kenyans are compelled to travel long distances to access this service, both for the initial application and for any subsequent applications making the process tedious, time-consuming, and costly;

FURTHER CONCERNED THAT the current manual application system is prone to delays and inconsistencies, which may compromise the authenticity and integrity of a Certificate of Good Conduct;

COGNIZANT THAT the importance of introducing an automated Good Conduct Certification system, including the utilization of biometric fingerprint verification through the deployment of biometric kits, will enhance accuracy, security, and expediency in verifying individual's record;

NOW THEREFORE, the Senate resolves that the National Police Service Commission, in collaboration with the Ministry of Interior and National Administration to:

1. develop and implement an automated Good Conduct certification system designed to streamline the issuance, renewal, and verification of certificates of good conduct;
2. incorporate advanced technologies such as biometric fingerprint recognition, data encryption, and secure communication protocols to ensure the accuracy of individuals' records;
3. establish decentralized service points and deploys mobile registration units across counties to enhance accessibility, especially in remote areas; and

4. scale up public awareness initiatives in rural areas on the application and renewal process for the Certificate of Good Conduct.

I. MOTION - WELFARE OF INTERNS WORKING UNDER THE PUBLIC SERVICE COMMISSION (PSC)

(Sen. Samson Cherarkey, MP)

THAT, AWARE THAT, the Public Service Commission has provided internship opportunity to many youths in various government Departments and Agencies for a period not exceeding one year pursuant to Guidelines on Management of the Public Service Internship Programme of October, 2019;

APPRECIATING THAT, since its inception, the internship programme in Kenya has been instrumental in providing practical experience to graduates, enhanced employability, offered networking opportunities and has on a number of occasions led to full-time jobs to graduates;

CONCERNED THAT, internship opportunities are limited in number, skewed in distribution across government Departments and Agencies, lack clear pathway to permanent employment, have inadequate opportunities for skill development due to the short duration that they are offered and that the stipend offered to PSC interns is insufficient with an average stipend ranging from Ksh. 15,000 to Ksh. 30,000 per month which is not sustainable especially to interns living in major cities like Nairobi, Mombasa and Kisumu where the cost of living is too high;

NOW THEREFORE the Senate resolves that the Cabinet Secretary for Public Service and Human Capital Development in consultation with the Public Service Commission reviews the Guidelines to the Public Service Internship Programme of October, 2019 with a view to: -

1. increase the stipend offered to interns to cushion them against the high cost of living; and
2. put in place mechanisms to promote and reward innovation by interns.
