15. **MOTION-ESTABLISHMENT OF OFFICES OF THE COMMISSION ON ADMINISTRATIVE JUSTICE AT THE COUNTY LEVEL**

(Sen. Petronilla Were Lokorio)

THAT WHEREAS Article 59 of the Constitution establishes the Kenya National Human Rights and Equality Commission to among other functions investigate complaints of abuse of power, unfair treatment, manifest injustice or unlawful, oppressive, unfair or unresponsive official conduct;

AND WHEREAS Parliament enacted the Commission on Administrative Justice Act (No.23 of 2011) to restructure the Kenya National Human Rights and Equality Commission and to establish the Commission on Administrative Justice pursuant to Article 59(4) of the Constitution to provide for the membership, powers and functions of the Commission on Administrative Justice and for connected purposes;

AWARE that the function of the Commission on Administrative Justice among others is to investigate any conduct in state affairs, or any act or omission in public administration by any State organ, State or public officer in National and County Governments that is alleged or suspected to be prejudicial or improper or is likely to result in any impropriety or prejudice; including

or unlawful, oppressive, unfair or unresponsive official conduct within the public sector;

FURTHER AWARE that the Commission is expected to carry out its mandate in accordance with the values and principles set out in the Constitution and other laws of Kenya;

COGNIZANT that the right to access public service and fair administrative actions is critical to delivery of services to the people both at the National and the county levels of government and in other related public institutions;

CONCERNED that the Commission has its headquarters in Nairobi with satellite offices in the counties of Mombasa, Kisumu, Isiolo and UasinGishu;

FURTHER CONCERNED that the absence of the Commission offices in the rest of the Counties has made it difficult for members of the public to report allegations of maladministration, delay, administrative injustice, discourtesy, incompetence, misbehaviour, inefficiency or ineptitude within the public service;

NOW THEREFORE, the Senate calls upon the Commission on Administrative Justice to urgently establish satellite offices in all other remaining counties to decentralize its services to facilitate members of the public to interact with the Commission and report allegations of maladministration in the public service with ease.

16. **MOTION- TEACHING OF KISWAHILI LANGUAGE TO LEARNERS WITH HEARING DISABILITY**

(Sen. (Dr.) Getrude Musuruve)

THAT AWARE that Article 27 of the Constitution of Kenya guarantees equality of every person in enjoyment of all rights and fundamental freedoms and prohibits discrimination against any person on any ground including disability and language;

FURTHER AWARE that Article 24 (2) (a) of the United Nations Convention on the Rights of Persons With Disabilities prohibits persons with disabilities from exclusion from the general education system on the basis of disability, and that children with disabilities are not excluded from free and compulsory primary education, or from secondary education, on the basis of disability;

ACKNOWLEDGING that Article 7 of the Constitution of Kenya provides for the national language of the Republic as Kiswahili and the official languages of the republic as Kiswahili and English;

APPRECIATING that the Report of the Commission of Inquiry into Education in Kenya (the Ominde Commission of 1965) proposed that Kiswahili language be taught as a compulsory subject both in primary and secondary schools in Kenya with the aim of making the language a vehicle for literacy works relevant to community work of various kinds;

COGNIZANT that Kiswahili language has been recognized as a unifying language in the East African Community, hence making it a *lingua franca* in the region;

CONCERNED that under the new curriculum of education in Kenya that is being piloted, learners with hearing disability are not offered Kiswahili language in primary schools, secondary schools and primary teachers training colleges;

NOW THEREFORE, the Senate calls upon the Ministry of Education, Science and Technology and other relevant state agencies to:

1. offer Kiswahili language as a core subject to learners with hearing disability in primary schools, secondary schools and primary teacher colleges;
