13. **MOTION- TEACHING OF KISWAHILI LANGUAGE TO LEARNERS WITH HEARING DISABILITY**

(Sen. (Dr.) Getrude Musuruve)

THAT AWARE that Article 27 of the Constitution of Kenya guarantees equality of every person in enjoyment of all rights and fundamental freedoms and prohibits discrimination against any person on any ground including disability and language;

FURTHER AWARE that Article 24 (2) (a) of the United Nations Convention on the Rights of Persons with Disabilities prohibits persons with disabilities from exclusion from the general education system on the basis of disability, and that children with disabilities are not excluded from free and compulsory primary education, or from secondary education, on the basis of disability;

ACKNOWLEDGING that Article 7 of the Constitution of Kenya provides for the national language of the Republic as Kiswahili and the official languages of the republic as Kiswahili and English;

APPRECIATING that the Report of the Commission of Inquiry into Education in Kenya (the Ominde Commission of 1965) proposed that Kiswahili language be taught as a compulsory subject both in primary and secondary schools in Kenya with the aim of making the language a vehicle for literacy works relevant to community work of various kinds;

COGNIZANT that Kiswahili language has been recognized as a unifying language in the East African Community, hence making it a *lingua franca* in the region;

CONCERNED that under the new curriculum of education in Kenya that is being piloted, learners with hearing disability are not offered Kiswahili language in primary schools, secondary schools and primary teachers training colleges;

NOW THEREFORE, the Senate calls upon the Ministry of Education, Science and Technology and other relevant state agencies to:-

- (i) offer Kiswahili language as a core subject to learners with hearing disability in primary schools, secondary schools and primary teacher colleges;
- (ii) come up with an elaborate syllabus for teaching Kiswahili as a core subject to deaf learners in primary, secondary and teacher training colleges; and
- (iii) come up with an elaborate syllabus for teaching Kenya Sign Language (KSL) as an optional subject for learners who have no hearing disability and for deaf learners

14. **MOTION – NEED FOR STANDARD POLICY REGULATION FOR CONSTRUCTION AND MAINTENANCE OF RURAL ACCESS ROADS**

(Sen. (Arch.) Sylvia Kasanga)

THAT AWARE that infrastructure development and specifically, construction of roads is a key pillar of Kenya's vision 2030 whose objective is to spur movement of people and goods, promote trade and economic activities, encourage development and attract investments;

NOTING that there is a very strong correlation between a country's economic development and the quality of its road network;

CONCERNED that Government's efforts to expand the roads infrastructure are mainly focused on the urban and peri-urban areas of the country thus leaving rural areas with dilapidated or no access roads;

FURTHER CONCERNED that fifty five years since independence and over five years after institutionalization of devolution, the Country's roads infrastructure is to a large extent still underdeveloped with only slightly above 9,000 kilometres of the about 178,000 kilometres of roads paved;

COGNISANT that, Part Two of the Fourth Schedule to the Constitution of Kenya (2010) mandates County Governments to manage county transport, including; roads, street lighting, traffic and parking, amongst other county public transport matters;

DEEPLY CONCERNED that, County Governments are continuously prioritizing routine maintenance works over sustainable and durable road quality works due to budgetary constraints;

NOW THEREFORE the Senate calls upon the Ministry of Transport, Infrastructure, Housing and Urban Development to develop and adopt standard policy regulations prescribing modern, eco-friendly and inexpensive technologies to be applied across the 47 counties for construction, upgrading and maintenance of rural access roads in order to ensure durability and sustainability of the access roads and also to reduce maintenance expenses.

15. **MOTION – REGISTRATION OF PERSONS WITH DISABILITIES (PWDS)**

(Sen. George Khaniri)

THAT AWARE THAT the National Council for Persons with Disabilities was established through the Persons with Disabilities Act, 2003;

FURTHER AWARE THAT registration of persons living with disabilities is a function of the National Council for Persons with Disabilities;

ALSO AWARE THAT persons living with disabilities are estimated to be about 10% of any given population;

COGNIZANT THAT for purposes of registration of persons living with disability, it is a mandatory requirement for one to undergo medical examination by a registered medical officer in a registered and certified health facility;

...../Motion

AWARE THAT medical services are now a devolved function;

CONCERNED THAT of the nearly 4 million Kenyans living with disabilities who reside in Kenya, there is a very small fraction of the number which is duly registered;

FURTHER CONCERNED THAT without proper registration, many persons living with disabilities are denied services because they lack the necessary proof of disability;

ALSO CONCERNED THAT owing to lack of accurate data on persons living with disabilities, the government at both levels cannot plan properly for this category of people;

NOW THEREFORE, the Senate calls upon the National Council for Persons with Disabilities in collaboration with Ministry of East African Community, Labour and Social Protection and county governments, to carry out a nationwide registration of all persons living with disabilities in order to determine their exact population to facilitate effective service for this marginalized group of our society.
