- 12. **MOTION – AUDIT ON DISTRIBUTION OF TEACHERS IN ALL PUBLIC SCHOOLS ACROSS THE COUNTRY-**(Sen. George Khaniri)  
(Ministry of Education, Science and Technology)

**THAT WHEREAS** Article 43 (1)(f) of the Constitution of Kenya explicitly provides for the right to education for all;

**AND WHEREAS** it is the responsibility of the State to ensure that the right to education is enjoyed by all;

**OBSERVING THAT** that the Teachers Service Commission (TSC) is the constitutionally mandated body to handle matters of employment, deployment, remuneration and discipline of teachers in all public schools;

**APPRECIATING** efforts made by the national government through the Teachers Service Commission (TSC) to improve the teacher pupil ratio to international standards in all public schools through yearly employment of teachers;

**CONCERNED THAT** currently there exists great disparities in the distribution of teachers in schools across the country, with major teacher shortage being experienced in rural and marginalized areas;

**FURTHER CONCERNED** that there is major inequality in the distribution and allocation of teachers among schools across the country leading to either oversupply or undersupply of teachers in some public schools;

**NOW THEREFORE**, the Senate calls upon the Ministry of Education, Science and Technology in conjunction with TSC to conduct a countrywide audit on the distribution of teachers in all public schools across the Country and report to the Senate within three months.

13. **MOTION – REGISTRATION OF PERSONS WITH DISABILITIES** -(Sen. George Khaniri)  
(Ministry of East African Community, Labour and Social Protection)

**AWARE THAT** the National Council for Persons with Disabilities was established through the Persons with Disabilities Act, 2003;

**FURTHER AWARE THAT** registration of persons living with disabilities is a function of the National Council for Persons with Disabilities;

**ALSO AWARE THAT** persons living with disabilities are estimated to be about 10% of any given population;

**COGNISANT THAT** for purposes of registration of persons living with disability, it is a mandatory requirement for one to undergo medical examination by a registered medical officer in a registered and certified health facility;

**AWARE THAT** medical services are now a devolved function;

**CONCERNED THAT** of the nearly 4 million Kenyans living with disabilities who reside in Kenya, there is a very small fraction of the number which is duly registered;

**FURTHER CONCERNED THAT** without proper registration, many persons living with disabilities are denied services because they lack the necessary proof of disability;

**ALSO CONCERNED THAT** owing to lack of accurate data on persons living with disabilities, the government at both levels cannot plan properly for his category of people;

**NOW THEREFORE**, the Senate calls upon the National Council for Persons with Disabilities in collaboration with Ministry of East African Community, Labour and Social Protection and county governments, to carry out a nationwide registration of all persons living with disabilities in order to determine their exact population to facilitate effective service for this marginalized group of our society.
