(Sen. (Prof.) Margaret Kamar)

THAT, this House notes the Reports of the 47th and 48th Sessions of the African, Caribbean and Pacific (ACP) Parliamentary Assembly and the Inter-Sessional meeting and the 34th Session of the African, Caribbean and Pacific – European Union (ACP-EU) Joint Parliamentary Assembly held in Brussels on 9th to 12th October, 2017 and Haiti on 13th to 20th December, 2017, respectively, laid on the Table of the House on Wednesday, 28th February, 2018.

12. MOTION – REGISTRATION OF PERSONS WITH DISABILITIES (PWD)

(Sen. George Khaniri)

THAT AWARE THAT the National Council for Persons with Disabilities was established through the Persons with Disabilities Act, 2003;

FURTHER AWARE THAT registration of persons living with disabilities is a function of the National Council for Persons with Disabilities;

ALSO AWARE THAT persons living with disabilities are estimated to be about 10% of any given population;

COGNIZANT THAT for purposes of registration of persons living with disability, it is a mandatory requirement for one to undergo medical examination by a registered medical officer in a registered and certified health facility;

AWARE THAT medical services are now a devolved function;

CONCERNED THAT of the nearly 4 million Kenyans living with disabilities who reside in Kenya, there is a very small fraction of the number which is duly registered;

FURTHER CONCERNED THAT without proper registration, many persons living with disabilities are denied services because they lack the necessary proof of disability;

ALSO CONCERNED THAT owing to lack of accurate data on persons living with disabilities, the government at both levels cannot plan properly for this category of people;

NOW THEREFORE, the Senate calls upon the National Council for Persons with Disabilities in collaboration with Ministry of East African Community, Labour and Social Protection and county governments, to carry out a nationwide registration of all persons living with disabilities in order to determine their exact population to facilitate effective service for this marginalized group of our society.
