12. MOTION – NOMINATION OF A SENATOR TO SERVE IN THE SENATE BUSINESS COMMITTEE

(The Senate Majority Leader)

THAT, pursuant to Standing Orders 178(1)(d) and 183 (3) of the Senate, the Senate approves the appointment of Sen. Cleophas Malalah, MP, as a Member of the Senate Business Committee.

13. MOTION – NEED FOR STANDARD POLICY REGULATION FOR CONSTRUCTION AND MAINTENANCE OF RURAL ACCESS ROADS

(Sen. (Arch.) Sylvia Kasanga)

THAT AWARE that infrastructure development and specifically, construction of roads is a key pillar of Kenya's vision 2030 whose objective is to spur movement of people and goods, promote trade and economic activities, encourage development and attract investments;

NOTING that there is a very strong correlation between a country's economic development and the quality of its road network;

CONCERNED that Government's efforts to expand the roads infrastructure are mainly focused on the urban and peri-urban areas of the country thus leaving rural areas with dilapidated or no access roads;

FURTHER CONCERNED that fifty five years since independence and over five years after institutionalization of devolution, the Country's roads infrastructure is to a large extent still underdeveloped with only slightly above 9,000 kilometres of the about 178,000 kilometres of roads paved;

COGNISANT that, Part Two of the Fourth Schedule to the Constitution of Kenya (2010) mandates County Governments to manage county transport, including; roads, street lighting, traffic and parking, amongst other county public transport matters;

DEEPLY CONCERNED that, County Governments are continuously prioritizing routine maintenance works over sustainable and durable road quality works due to budgetary constraints;

NOW THEREFORE the Senate calls upon the Ministry of Transport, Infrastructure, Housing and Urban Development to develop and adopt standard policy regulations prescribing modern, eco-friendly and inexpensive technologies to be applied across the 47 counties for construction, upgrading and maintenance of rural access roads in order to ensure durability and sustainability of the access roads and also to reduce maintenance expenses.

14. MOTION – REGISTRATION OF PERSONS WITH DISABILITIES (PWDS)

(Sen. George Khaniri)

THAT AWARE THAT the National Council for Persons with Disabilities was established through the Persons with Disabilities Act, 2003;

...../Motion

FURTHER AWARE THAT registration of persons living with disabilities is a function of the National Council for Persons with Disabilities;

ALSO AWARE THAT persons living with disabilities are estimated to be about 10% of any given population;

COGNIZANT THAT for purposes of registration of persons living with disability, it is a mandatory requirement for one to undergo medical examination by a registered medical officer in a registered and certified health facility;

CONCERNED THAT of the nearly 4 million Kenyans living with disabilities who reside in Kenya, there is a very small fraction of the number which is duly registered;

AWARE THAT medical services are now a devolved function;

FURTHER CONCERNED THAT without proper registration, many persons living with disabilities are denied services because they lack the necessary proof of disability;

ALSO CONCERNED THAT owing to lack of accurate data on persons living with disabilities, the government at both levels cannot plan properly for this category of people;

NOW THEREFORE, the Senate calls upon the National Council for Persons with Disabilities in collaboration with Ministry of East African Community, Labour and Social Protection and county governments, to carry out a nationwide registration of all persons living with disabilities in order to determine their exact population to facilitate effective service for this marginalized group of our society.

15. **MOTION -FLOOD SITUATION IN THE COUNTRY**

(Sen. Fatuma Dullo)

THAT, aware that several days of heavy rains recently have caused severe flooding in many parts of the country, resulting in multiple deaths and devastating damage to property and infrastructure;

NOTING with concern that, whenever Kenya experiences periods of severe drought, torrential rains usually follow;

CONCERNED that year in year out, the challenge of floods continues to recur, leading to loss of human and animal life, displacement of people and wanton destruction of property;

COGNIZANT that the number of Kenyans needing emergency food aid as a result of displacement caused by the current floods continues to rise by the day, and that the floods have also washed away many bridges and destroyed roads in many parts of Kenya;

ALSO CONCERNED that no effective measures, such as improved storm water harvesting, proper drainage infrastructure and preventing the destruction of

...../Motion

riparian reserves and natural water courses, to mitigate and/or provide a lasting solution to the menace of flooding, have been taken;

NOW THEREFORE, the Senate calls upon the National Government to develop a lasting framework to permanently address the challenge of effects of floods by, among other things-

1. developing and enforcing regulations for preventing the obstruction of riparian reserves and natural water courses; and
2. preventing and regulating the construction of informal settlements and ensuring prevention of construction on low lying areas and flood plains.

And further that the relevant government agency to execute this task submits a report to the Senate within three months of the adoption of this Motion.
