

DEVOLVED GOVERNANCE AND MANAGEMENT OF COUNTY ASSEMBLY SERVICE BOARDS (CASB)

PROGRAMME OVERVIEW

This programme builds the leadership and operational capacity of County Assembly Service Boards members and staff, deepening their understanding of devolved governance structures, constitutional mandates, and best practices in public sector management with an emphasis on accountability and effective county-level service delivery.

PROGRAMME RATIONALE

County Assembly Service Boards manage the human resources, finances, and administration of county assemblies. The training equips members and staff with the knowledge and practical skills to discharge these mandates transparently and in line with the Constitution, while reinforcing good governance, accountability, and public trust through interactive, discussion-based learning.

LEARNING OUTCOMES

By the end of this course, the learner will be able to develop organizational policies aligned with devolved governance principles and best practices in managing county assemblies, evaluate budgets to enhance county-level service delivery, establish a robust framework for monitoring and evaluating board resolutions, and apply good governance principles in the management of the County Assembly Service Board.

TARGET GROUP

The course is designed for members of County Assembly Service Boards.

COURSE CONTENT

Topics include the fundamentals of good governance, devolved governance in Kenya, human resource management and administration in the legislature, formulation and implementation of organisational policies, budgeting and service delivery, and, monitoring and evaluation models, frameworks, indicators, and tools.
