A. MOTION – (Sen. Godliver Omondi)
(Department of Health)

AWARE that about 15% of the Kenyan population are persons living with disabilities;

APPRECIATING that the Government has taken several measures to avail certain privileges through the National Council for Persons with Disabilities to registered persons living with disabilities;

NOTING that the National Hospital Insurance Fund (NHIF) is a contributory health insurance cover and the remittance of contributions for persons living with disabilities by government for the cover, is not among the privileges extended to persons living with disabilities;

CONCERNED that most persons living with disabilities have difficulties engaging in gainful income generating activities that would enable them pay the contributions to NHIF, hence are without any medical cover;

FURTHER CONCERNED that many persons with disabilities are unable to access medical services leading to high mortality rate;

NOW THEREFORE, the Senate recommends to the National Government to put in place the following measures through the Ministries of Health and East African Community, Labour and Social Protection-

- i) Undertake vetting of all persons living with disabilities in Kenya to ascertain those who are unable to afford payment of contributions to the NHIF; and
- ii) Set aside a special fund for remittance of contributions to NHIF for those persons who are living with disabilities and cannot afford to pay the contributions.
