CHAIRPERSON'S FOREWORD

Mr. Speaker Sir,

The Coffee Bill, 2023 (Senate Bills No. 10 of 2023) seeks to provide for the development and regulation of the Coffee industry in Kenya. The Bill proposes to reorganize the coffee industry by transitioning the regulatory and commercial roles currently undertaken by the Agriculture and Food Authority to the Coffee Board of Kenya. The Bill, further, seeks to transition the research of coffee currently undertaken by the Coffee Research Institute under the Kenya Agricultural and Livestock Research Organization to the Coffee Research Institute.

Mr. Speaker Sir,

The Coffee Bill, 2023 (Senate Bills No. 10 of 2023) was published on 10th March, 2023 and read for the First Time in the Senate on Tuesday, 11th April, 2023 and thereafter the Bill stood committed to the Senate Standing Committee on Agriculture, Livestock and Fisheries for consideration. The Bill was advertised in the Daily Nation and Standard Newspapers on 15th June, 2023. The Bill was passed in the Senate with amendments on 1st August, 2024 and thereafter, referred to the National Assembly where it was passed with amendments on 26th November, 2024.

Mr. Speaker Sir,

The Bill was referred back to the Senate on 29th November, 2024. Subsequently, the Speaker of the Senate conveyed the message of referral of the Bill and amendments to the House on 3rd December, 2024 and thereafter referred the National Assembly amendments to the Committee to consider and table a report in the Senate.

Following the referral, the Committee extensively considered the National Assembly amendments to the Bill and made the following observations and recommendations -

Summary of Observations and Recommendations by the Committee

The Committee observes as follows –

1. **Limiting role of Agriculture and Food Authority:** The Bill seeks to amend the Crops Act, 2013 so as to unbundle the regulation and management of coffee that falls within the ambit of the Agriculture and Food Authority (AFA) and establish a stand-alone agency for its regulation. The Committee took note that the transfer of coffee management to AFA has not improved the sector in any significant way. The Bill therefore proposes to reorganize the coffee industry by transitioning the regulatory and commercial roles currently undertaken by the Agriculture and Food Authority (AFA) to the Coffee Board of Kenya. In this way, coffee will have a specialized institution to handle the operative affairs as opposed to the current structure where AFA is handling host of other scheduled crops.
2. **Critical role of the coffee crop:** The Committee stressed on the importance of the coffee crop both locally and globally. Coffee export is the fifth foreign exchange earner after tourism, tea, horticulture and remittances from the Diaspora. Coffee is the second most traded commodity in the world after oil and is one of the most strategic cash crops contributing to Kenya's economic growth. Coffee is one of the major cash crops in Kenya, coming third after tea and horticultural produce.
3. **Decline in market dominance:** The committee further noted that even with its decline over the years, the coffee industry injected billions of shillings to the country's Gross Domestic Product over the years and therefore the enactment of the Bill is key to reviving the industry.;
4. **County government functions:** The Committee observed that most of the amendments were undermining the role of county governments in the agriculture sector. Since agriculture is a devolved function, it is essential to ensure that the provisions of the Bill accurately reflect this by ensuring that county governments are responsible for implementing agricultural policies and programs.
5. **Assignment of roles:** The effective performance of devolved functions requires clear assignment of responsibilities to a specific office to ensure accountability. The County Executive Committee (CEC) plays a pivotal role in policy formulation. In this case, the body responsible for policy decisions is the County Executive Committee, where such decisions are made collectively. Additionally, the Committee noted that the policy head within relevant ministries is the County Executive Committee Member who is responsible for translating policies into actionable programs.

The Committee recommends that -

1. The Senate adopts the report of the Committee; and
2. The Senate adopts the Committee recommendations on the National Assembly amendments as per the attached schedule.

Mr. Speaker Sir,

May I take this opportunity to commend the Members of the Committee for their devotion and commitment to duty, which made the consideration of the amendments from the National Assembly on the Coffee Bill and production of this report a success. I also wish to thank the Offices of the Speaker and the Clerk of the Senate for the support extended to the Committee in undertaking this important assignment.

Mr. Speaker Sir,

It is now my pleasant duty, pursuant to standing order 223(6), to present the Report of the Standing Committee on Agriculture, Livestock and Fisheries on the Consideration of National Assembly amendments to the Coffee Bill, 2023 (Senate Bills No. 10 of 2023).

CHAPTER ONE: INTRODUCTION

1.1 Background

The Coffee Bill, 2023 (Senate Bill No. 10 of 2023) seeks to provide for the development and regulation of the Coffee industry in Kenya. The Bill proposes to reorganize the coffee industry by transitioning the regulatory and commercial roles currently undertaken by the Agriculture and Food Authority to the Coffee Board of Kenya. The Bill further seeks to transition the research of coffee currently undertaken by the Coffee Research Institute under the Kenya Agricultural and Livestock Research Organization to the Coffee Research Institute.

The Coffee Bill, 2023 (Senate Bills No. 10 of 2023) was published on 10th March, 2023 and read for the first time in the Senate on Wednesday, Tuesday, 11th April, 2023 and thereafter the Bill stood committed to the Senate Standing Committee on Agriculture, Livestock and Fisheries for consideration. The Bill was advertised in the Daily Nation and Standard Newspapers on 15th June, 2023. Thereafter, the Bill was tabled in the Senate on 21st November, 2023. The Bill was passed in the Senate with amendments on 1st August, 2024 and thereafter, referred to the National Assembly where it was passed with amendments on 26th November, 2024.

The Bill was referred back to the Senate on 29th November, 2024. Subsequently the Speaker of the Senate conveyed the message of referral of the Bill and amendments to the house on 3rd December, 2024 and thereafter referred the National assembly amendments to the Committee to consider and table a report in the Senate.

Following the referral, the Committee extensively considered the National Assembly amendments to the Coffee Bill, 2023 (Senate Bill No. 10 of 2023) and adopted the report on the Bill with amendments.

CHAPTER TWO

CONSIDERATION OF AMENDMENTS BY THE NATIONAL ASSEMBLY

2.1 National Assembly proposed amendments to the Bill:

1. **Clause 2 on interpretation** be amended by replacing the word “sell: with the word “to offer” in the definition of the word Broker to read as follows: “**broker**” means a person cleared by the exchange and licensed by the Capital Markets Authority, appointed by a grower or an association of growers in accordance with the Capital Markets Act, to offer their coffee on their behalf through the Exchange”

Resolution By the Committee: The Committee accepted the amendment but with further amendment to read “to offer for sale on behalf of the grower or an association of growers through the exchange”. This means that the broker will only be authorized to present the coffee at the exchange and source for potential buyers. The actual sale will be executed by the appointee.

2. **Amend the definition “buyer”** which means an incorporated company licensed by the Board to buy clean coffee at an exchange for export, local sale or value addition or to import clean coffee for secondary processing in Kenya; with person or entity licensed by the Board to buy clean coffee at an exchange from a cooperative society, registered grower, coffee union, grower-miller or coffee estate for export, local sale, value addition.”

Resolution By the Committee: The Committee accepted the amendment. Although provision was to safeguard measure to ensure that only incorporated companies are licenced to buy coffee in order to curb coffee theft, the committee noted that it was too restricting.

Committee Observation: The Committee accepted this proposal.

3. **Deleting the definition of “clearing and settlement”**

Resolution By the Committee: The Committee accepted the amendment. This goes into the internal processes of the exchange.

4. **Definition of “coffee grower”** be amended to remove the words “linked to a pulping station”.

Resolution by the Committee

The Committee accepted the amendment.

5. **Amend the definition of a “sales catalogue”** to delete the words “in the presence of a commercial miller”

Resolution by the Committee – The Committee declined the amendment. There *has been incidences of stealing of coffee such that the amount that is declared to the grower after milling is sometimes understated or is not declared at all before the coffee is presented to the exchange for sale. This was therefore proposed to ensure accountability.*

6. Amend the definition “**secondary processing**” to include the word “buni” to read “secondary processing” means parchment and *buni* de-husking, polishing, grading and may include grinding, and packaging of clean coffee beans.

Resolution by the Committee – The Committee accepted the amendment. ✓

7. Amend the definition of the word “**small holder**”

Resolution by the Committee – There was no amendment by the National Assembly.

8. **New definition** - inserting the following new definitions in their proper alphabetical sequence—

- a) “Authority” means Capital Markets Authority Cap.485 established under the Capital Markets Act”;
- b) “miller” means a person who is involved in the process of de-husking and possible grading of coffee and includes grading of clean coffee”; and
- c) “roaster” means a person who is in the business or process of turning green coffee into usable coffee products”.

Resolution by the Committee – The Committee accepted the new definitions for clarity.

9. **Clause 3 on objects be amended** by deleting the words “(e) Promote the vertical integration of the coffee value chain at the production level for the purpose of achieving economies of scale and managing risk”; **and inserting** the words “(e) promote integration of the value chain actors for purposes of achieving economies of scale;”

Resolution by the Committee – The Committee declined the amendment. The purpose of the intergration is to benefit farmers at the production level.

10. **Delete subclause** “3(f) Promote evidence-based coffee research and the delivery of extension services for the development of the coffee sector” by replacing it **with** “(f) promotion of coffee research and training for the development of the coffee sector;”.

Resolution by the Committee – The Committee declined this amendment. This is what is provided for in the Bill.

11. **Amend subclause 3(g)** to provide a framework for the establishment of a coffee development levy; add the word “and management” immediately after the word “establishment”.

Resolution by the Committee – The Committee accepted the amendment.

12. **Clause 6 on powers of the Board** be amended in (e) subclause (1) to insert the words “or bank account” immediately after the word “account” appearing in paragraph (e) to read “operate a bank account *or bank accounts* into which all monies received by the Board shall be paid in the first instance and out of which all payments made by the Board shall be made.”

Resolution by the Committee – The Committee accepted the amendment.

13. Amend subclause “(2) The Board may, if it considers necessary, enter into association with such bodies or organisations whose objects and purpose support the promotion of the coffee industry.” To read “the Board may, if it considers necessary, enter into association with such bodies or organisations whose objects and purpose support the promotion of the coffee Industry.”

Resolution by the Committee – The Committee accepted the amendment.

14. **Clause 8 on Qualification for appointment** amend to add a new provision “(2) For purposes of this section, “coffee management” means the process of increasing coffee production per tree, including choice of appropriate agroecology, determination of plant population, planting, crop husbandry, harvesting and conveying through pulping stations.”

Resolution by the Committee – The Committee declined the amendment because it is not necessary.

15. **Clause 11 on Functions of the Board be amended in subclause** “(e) collect, collate and maintain a data base and disseminate information on the coffee industry” to read “(e) collect, collate and maintain a data base to ensure ease of access to information on the coffee industry.”

Resolution by the Committee – The Committee declined the amendment. There are various reasons for the collection of the data which need not to be provided for in the Act.

16. **Amend subclause (f)** to read “(f) conduct national and international coffee market intelligence and surveys to facilitate market access and inform promotional and branding strategies including the application of the Kenya Coffee Mark of Origin;”.

Resolution by the Committee – The Committee accepted the amendment.

17. **Amend subclause (p)** to read “(p)source for and market Kenyan coffee internationally;”

Resolution by the Committee – The Committee accepted the amendment.

18. **Add a new provision** “(pa) adopt marketing strategies that leverage digital platforms to reach broader audience and boost coffee sales;”

Resolution by the Committee – The Committee accepted the amendment.

19. **Amend subclause (2) to read** “(2) The Board shall, in the performance of its functions under this Act, consult and collaborate with the relevant licensing authority and other industry players”.

Resolution by the Committee – The Committee declined the amendment. Not all functions are in regards to licencing. Agriculture is a devolved function and therefore consulting with COG is essential. Being general/not expressly providing for consultation makes the provision ambiguous.

20. **Clause 12 on Committees of the board of directors** be amended in subclause (2) to read “(2) The Board of directors may co-opt persons whose knowledge and skills are [necessary for resolution of any pertinent matter under consideration by the committee or the Board for performance of its function and exercise of its powers under this Act.

Resolution by the Committee – The Committee accepted the amendment to ensure the co-opting is done only on need basis.

New provision - 3) Notwithstanding subclause (2), the Board shall not co-opt more than five (5) persons at any particular time.”

Resolution by the Committee – The Committee accepted the amendment.

21. **Clause 14** on remuneration of members of the board of directors be amended to read “The members of the Board of Directors shall be paid such remuneration as the Salaries and Remuneration Commission shall determine”.

Resolution by the Committee – The Committee accepted the amendment. Remuneration includes allowances.

22. **Clause 15 on Chief executive officer** be amended in subclause (2)(a) to replace degree with “postgraduate degree”

Resolution by the Committee – The Committee declined the amendment the provision is in line with Mwongozo guidelines on good governance.

23. **Subclause (2) (b)** be amended to replace 5 years with 10 years.

Resolution by the Committee – The Committee declined the amendment. The provision is in line with the Mwongozo guidelines on good governance.

24. **Clause 23** be amended by —

(a) by deleting subclause (2) and substituting therefor the following new subclause—

“(2) A county government may impose levies and fees as may be necessary for the registration and issuance of licences in accordance with the respective county legislation and such standards as may be prescribed by the Cabinet Secretary under this Act.”

Resolution by the Committee: The Committee declined this amendment. It’s important to assign responsibilities to a specific office for purposes of accountability.

25. (b) by deleting subclause (3) and substituting therefor the following new subclause—

“(3) The Cabinet Secretary shall, in consultation with the Board and the respective county government, prescribe standards and guidelines for the setting of levies and fees by the county government under subsection (2).”

Resolution by the Committee: The Committee declined this amendment. It’s important to assign responsibilities to a specific office for purposes of accountability.

26. Clause 24 on Enactment of county specific legislation be amended by adding a new provision –

- (a) re-numbering the existing provision as subclause (1); and
- (b) inserting the following new subclause immediately after subclause (1)—

“(2) The Cabinet Secretary shall, in consultation with the Board and county governments prescribe standards and guidelines to be adhered to while enacting specific county legislation.”

Resolution by the Committee – The Committee declined the amendment. Article 191 of the Constitution provides on how National laws and County laws should be enacted.

27. Clause 25 of the Bill be amended in subclause (3) –

- (a) by deleting the words “county executive committee” and substituting therefor the words “licensing authority”
- (b) by inserting the following new subclause immediately after subclause (3)—

Resolution by the Committee – The Committee declined the amendment. This part is applicable to counties because they are the licencing authorities.

“(4)A county government shall maintain the necessary statistical information with respect to the coffee sector and avail such information to the Board where necessary for proper planning.”

Resolution by the Committee – The Committee declined the amendment. Because the licences under these part will be issued by the county goverments.

28. Clause 26 on Regulation of production and processing of coffee be amended in subclause (a) to read “(a) promoting production and productivity;”

Resolution by the Committee – The Committee accepted the amendment.

Amend subclause (2) to read_“(2) A county government shall regularly share the necessary statistical information with respect to the coffee sector with the Board and such information shall form the basis for proper planning by the Board.”

Resolution by the Committee – The Committee declined the amendment. These are two different provisions; one is providing for maintaining and the other on sharing. Perhaps both can be combined. The sharing should be both ways.

29. **Clause 27 on Registration** be amended to read “Each county government shall submit to the Board a copy of the register under subsection (6) Annually”.

Resolution by the Committee – The Committee accepted the amendment.

30. **Clause 28 on licensing** be amended to read Clause 28 of the Bill be amended—

2. by deleting subclause 4;
3. by deleting subclause 5;
4. by deleting subclause 6; and

31. **Clause 30 be amended to read** “(2) A person shall not conduct the business of a coffee exchange, agent or offer brokerage services at the exchange unless that person is licensed by the Authority in accordance with the provisions of the Capital Markets Act”.

Resolution by the Committee – The Committee declined the amendment. Agents were replaced by brokers who are licenced under the Capital Markets Authorty Act for smooth operation.

32. **Clause 32 on returns** be amended by deleting the word “monthly” and substituting therefor the word “quarterly”.

Resolution by the Committee – The Committee accepted the amendment to replace monthly with quarterly.

33. **Clause 33 on movement permits** be amended by deleting the words “county executive committee member” and substituting therefore the words “county government”.

Resolution by the Committee – The Committee declined the amendment. It is important to assign responsibilities to a specific office for purposes of accountability.

34. **Clause 37 on Submission of reports** be amended by deleting the words “county executive committee member” and substituting therefore the words “county government”.

Resolution by the Committee – The Committee declined the amendment. It is important to assign responsibilities to a specific office for purposes of accountability.

Amend subclause (2) and substituting therefor the following new subclause—

“(2) The Board shall submit to the respective county government a report on the registered and licensed dealers and other service providers within the respective county at the end of each month or within such timelines as may be agreed upon with the respective county government.”

Resolution by the Committee: The Committee declined the amendment. It is important to assign responsibilities to a specific office for purposes of accountability.

35. **Clause 38 on appeals** be amended by moving Part IX-COFFEE RESEARCH AND TRAINING INSTITUTE OF KENYA (Clauses 69 to 84) to appear immediately after Clause 38.

Resolution by the Committee – The Committee declined the amendment. The parts are better placed as they appear in the Bill.

36. By moving Part X-FINANCIAL PROVISIONS OF THE INSTITUTE (Clauses 85 to 91) to appear immediately after the following new Part VA-. COFFEE RESEARCH AND TRAINING INSTITUTE OF KENYA.

Resolution by the Committee – The Committee declined the amendment. The parts are better placed as they appear in the Bill.

37. **Clause 39 on Coffee Production** - by deleting subclause (1).

Committee Resolution - the Committee declined this amendment since the institute will disseminate coffee production and processing technologies in collaboration with the county governments. The provisions on (1) will suitably be placed in part IX which provides for the functions of the institute.

Amend subclause (2) by deleting the words “county executive member” and substituting therefore the words “county government”.

Resolution by the Committee – The Committee declined the amendment. It is important to assign responsibilities to a specific person for purposes of accountability.

38. **Clause 40 on Importation of coffee planting materials** amended in subclause (1) by inserting the words “and licensed” immediately after the words “been registered”.

Committee Resolution - the Committee declined this amendment. The Committee suggested that during mediation a way should be explored to distinguish between imports that are done for personal use and for commercial use. Further Licencing of plants is a mandate of by KEPHIS. the compromise would be for the licencing to be done in collaboration with the Board of the Institute.

39. **Clause 42** of the Bill be amended a) in subclause (3), by deleting the words “county executive committee member” and substituting therefor the words “county government”.

Resolution by the Committee – The Committee declined the amendment. It is important to assign responsibilities to a specific office for purposes of accountability.

40. **Clause 43 Certification of Kenyan Coffee** be amended in subclause (4), by deleting the words “county executive committee member” appearing in paragraph (b) and substituting therefor the words “county government”; and in subclause (5), by deleting the words “county executive committee member” and substituting therefor the words “county government”.

Resolution - The Committee accepted the amendment since its specific to coffee industry.

42. **Clause 45 on Requirements relating to coffee traceability and disclosures** be amended in subclause (3) by deleting the words “comprehensive” appearing in paragraph (b).

Add a New Provision “45A. (1) A coffee miller may bulk parchment or buni or coffee of the same quality and characteristics in order to attain millable quantities.

Committee Resolution - The Committee accepted the provision. This provision was moved from 48 to 45 for better flow, and combined with other provisions on milling.

43. **Clause 47 on Milling service** be amended by deleting the subclause (2).

Committee Resolution - The Committee declined this amendment. The provision is important to ensure accountability. Presently the processing of coffee especially milling is shrewd in mystery.

44. **Clause 48** of the Bill be amended by deleting Clause 48.

Resolution by the Committee - The Committee accepted this amendment.

45. **Clause 49 on Coffee trading be amended by deleting** ‘with county governments as the Board may prescribe’ and insrting “the relevant licensing authority may prescribe”.

Committee Resolution - The Committee declined this amendment. The decision to amend this section will affect growers in general. Agriculture and indeed the coffee sector being devolved, there is need to involve County governments.

46. **Clause 50 on International and local direct coffee sales** be amended by deleting the word “monthly” and substituting therefore the word “quarterly”.

Committee Resolution - The Committee declined this amendment. The Seller will be required to submit the sales returns montly for purposes of accountability.

47. **Clause 53 on Sales Catalogue** be amended to read “(1) A grower or a broker appointed by a grower shall, in consultation with an exchange, prepare a sales catalogue for coffee destined for sale at exchange in a licensed warehouse in accordance with the Act”.

Committee Resolution – the Committee declined the amendment since the presence of a miller and grower was meant to ensure accountability.

48. Clause 54 of the Bill be amended (a) in subclause (2) by deleting the words “county executive committee member” and substituting therefor the words “county government”

Resolution by the Committee - The Committee declined this amendment. It is important to assign responsibilities to a specific office for purposes of accountability.

49. **Clause 57 on Export and import of coffee** be amended by inserting the words “of quality analysis” immediately after the word “certificate” appearing in paragraph (a) and in subclause (3), by inserting the word “analysis” immediately after the words “certificate of quality” appearing in paragraph (b).

Committee Resolution – the Committee declined this amendment. The clause requires further amendment.

50. **Clause 60 on Quality assurance for coffee industry (1)** be amended by adding the words “in collaboration with the respective licencing authority shall” immediately after the word Board and by deleting subclause (9) by substituting with a new sub clause “(9) The Board shall in collaboration with the licensing authorities and other relevant bodies conduct periodic surveillance on the application of pesticide to ensure compliance with set standards and best practices.”

Committee Resolution – The Committee declined the amendment. We cannot take away the responsibility of enforcing standards from the counties because it’s a role assigned to counties under part 2 of the second schedule to the Constitution.

51. **Subclause 60(2)** be amended to add the words “in consultation with an accredited university of higher learning and industry stakeholders” immediately after the word “Board”.

Committee Resolution - The Committee accepted this amendment.

52. **Subclause (5)** be amended to replace “County Executive Committee Member” with the words “county governments”.

Resolution by the Committee – The Committee declined the amendment. It is important to assign responsibilities to a specific office for purposes of accountability.

Committee Resolution – The Committee declined the amendment since the word permissible covers both maximum and minimum.

54. **Clause 61 on inspections** in subclause (1) be amended by deleting the words “county executive committee member” and substituting therefor the words “county government”; and in subclause (2) by deleting the words “county executive committee member” and substituting therefor the words “county government”.

Resolution by the Committee – The Committee declined the amendment. It is important to assign responsibilities to a specific office for purposes of accountability.

55. **Clause 64 on Coffee development Levy be amended** by deleting the marginal note and substituting therefor the following new marginal note “Coffee development and marketing levy”.

Committee Resolution – The Committee accepted this amendment. The fund is providing for both development and marketing.

56. Amend Sub clause (1) by deleting the words “two per centum” and substituting therefor the words “two and a half per centum” in Subclause (1).

Resolution by the Committee – The Committee declined this amendment. The increase is not justified.

57. Sub clause “(2) be amended as - The levy imposed under subsection (1) shall be apportioned as follows—

- i. thirty-five per centum to the Institute;
- ii. twenty per centum to the Board for regulatory purposes;
- iii. fifteen per centum to the Board for marketing purposes; and

- iv. ten per centum to the counties growing areas on pro-rata basis as a conditional grant for coffee development.”

Committee Resolution – The Committee declined the amendment because it was reducing the allocation to county government, agriculture being devolved, the Counties should get more allocation. Further, there is no justification for increasing the allocation to the Board to 20% from 15% an allocation which is only meant for administrative purposes.

58. **Clause 67 on Annual report and publication be amended** in subclause (3) by deleting the words “the National Assembly and Senate” and substituting therefore the word “Parliament”.

Committee Resolution – The Committee declined this amendment. The reason we legislate in this manner is for purposes of clarity.

CHAPTER THREE

3.1 COMMITTEE OBSERVATIONS AND RECOMMENDATIONS

3.1.1 Committee Observations

The Committee observes as follows –

1. **Limiting role of AFA:** The Bill seeks to amend the Crops Act, 2013 so as to unbundle the regulation and management of coffee that falls within the ambit of the Agriculture and Food Authority (AFA) and establish a stand-alone agency for its regulation. The Committee took note that the transfer of coffee management to AFA has not improved the sector in any significant way. The Bill therefore proposes to reorganize the coffee industry by transitioning the regulatory and commercial roles currently undertaken by the Agriculture and Food Authority (AFA) to the Coffee Board of Kenya. In this way, coffee will have a specialized institution to handle the operative affairs as opposed to the current structure where AFA is handling host of other scheduled crops;
2. **Critical role of the Coffee crop:** The Committee stressed on the importance of the coffee crop both locally and globally. Coffee export is the fifth foreign exchange earner after tourism, tea, horticulture and remittances from the Diaspora. Coffee is the second most traded commodity in the world after oil and is one of the most strategic cash crops contributing to Kenya's economic growth. Coffee is one of the major cash crops in Kenya, coming third after tea and horticultural produce;
3. **Decline in market dominance:** The Committee, further, noted that even with its decline over the years, the coffee industry injected billions of shillings to the country's Gross Domestic Product and therefore the enactment of the Bill is key to reviving the industry;
4. **County government functions:** The Committee observed that most of the amendments were undermining the role of county governments in the agriculture sector. Since agriculture is a devolved function, it is essential to ensure that the provisions of the Bill accurately reflect this by ensuring that county governments are responsible for implementing agricultural policies and programs;
5. **Assignment of roles:** The effective performance of devolved functions requires clear assignment of responsibilities to a specific office to ensure accountability. The County Executive Committee (CEC) plays a pivotal role in policy formulation. In this case, the body responsible for policy decisions is the County Executive Committee, where such decisions are made collectively. Additionally, the Committee noted that the policy head within relevant ministries is the County

Executive Committee Member who is responsible for translating policies into actionable programs

3.1.2 Committee Recommendations

The Committee recommends that -

MIN/SEN/SCA/1054/2025 -

THE REPORT ON THE NATIONAL ASSEMBLY AMENDMENTS TO THE COFFEE BILL, 2023 (SENATE BILLS NO. 10 OF 2023) (COMMITTEE PAPER NO. 125)

The Legal Officer took the members through the report on the National Assembly amendments to the Coffee Bill, 2023 (Senate Bills No. 10 of 2023). The report was adopted having been proposed by Sen. Tom Ojienda, SC, MP and seconded by Sen. Wahome Wamtinga, MP.

MIN/SEN/SCA/1055/2025 -

THE STAKEHOLDER SUBMISSIONS ON THE NUTS AND OIL CROPS BILL, 2023 (SENATE BILLS NO. 47 OF 2023) (COMMITTEE PAPER NO. 124)

The legal counsel took the committee through the stakeholder submissions (matrix) on the Nuts and Oil crops Bill (Senate Bills No. 47 of 2023) as follows:

1. **Clause 1 on the short title** – The Ministry of Agriculture proposed that the clause be amended to insert the word “Development” before the word “Board” so as to align with the title of the Bill.

Committee Resolution

The Committee accepted the amendment.

2. **Clause 2 on definitions** – the Ministry of Agriculture proposed that the definition of nuts and Oil Crops be amended by deleting the definition and substituting thereof with “nuts and oil crops means any of the crops listed on the second schedule and includes such other crops as the CS on the advise of the board may declare to be a scheduled crop by notice in the gazette”. This is

because the crops are many, it may not be possible to capture all of them in a definition and therefore the need to introduce the second schedule where all of them will be listed.

Committee Resolution

The Committee partially accepted the definition. Definition will say crops as listed on the second schedule.

- a) Amend by inserting a new interpretation. “Dealer includes a person engaged in either collecting, transporting, storing, distributing, or buying and selling nuts and oil crops produce products or by-products and includes marketing agents, processors, exporters and importers. This is because these value chain actors play a vital role in development of the nuts and oil crops sub-sector.

Committee recommendations

The Committee declined the proposal since the word dealer is not used anywhere in the Bill.

-
- b) **The Law Society of Kenya** proposed an amendment to define the word “processing”. This is because the term has been defined to mean “a person who does the processing of nuts and oil crops”.

Committee recommendations

The Committee accepted the proposal to include the word processor and processing in the definition.

- c) **Lamu farmers** proposed the inclusion of cotton seed since they are nuts.

Committee recommendations

The Committee accepted the proposal since they are oil seeds.

- 3. **Clause 3 on the Objects of the Bill**, the Ministry of Agriculture and Livestock Development proposed that the clause be amended by deleting the word “industry” and substituting it with the word “subsector”. This is because the nuts and oil crops comprised several industries.

Committee recommendations

The Committee accepted the proposal.

- a) Amend by substituting the word “tree” with “produce”. This is because we produce the produce not all nuts and oil crops are trees.

Committee recommendations

The Committee accepted the proposal.

- b) Amend by substituting the word “better” with “improved” since the technical language used is improved varieties and not better.

Committee recommendations

The Committee accepted the proposal.

- c) Amend by inserting a new object to read “Regulate the Nuts and Oil Crops Sub Sector” to ensure harmony and a level playing ground in the sub-sector.

Committee recommendations

The Committee accepted the proposal since it’s the main aim of the Act.

- d) **Clause 3(a) on objects of the Bill be amended** by Nature Kenya to include the term “sustainable” to promote a more environmentally conscious approach, hence to read: “3 (a) *promote a globally competitive and sustainable nuts and oil crops industry*”.

Committee recommendations

The Committee accepted the proposal.

4. **Clause 4 (3) on Headquarters** be amended by the Ministry of Agriculture and Livestock Development by substituting the term “Kilifi” with “Nairobi” since the production of nuts and oil crops spreads across the country and Nairobi is the most central.

Committee recommendations

The Committee accepted the proposal.

- a) **Mpeketoni, Hindi, Mokoye farmers proposed** that the headquarters be located in Lamu.

Committee recommendations

The Committee declined the proposal. The Board may establish branches anywhere in Kenya.

5. Clause 5(1) be amended by the Ministry of Agriculture by deleting the clause and inserting "The Board shall consist of" to align with the marginal notes.

Committee recommendations

The Committee accepted the proposal since it's a drafting error.

- a) **Mpeketoni farmers proposed** that the representatives of the farmers in the Board should be appointed by farmers representatives.

Committee recommendations

The Committee declined the proposal.

MIN/SEN/SCA/1056/2025 - ANY OTHER BUSINESS

1. The secretariat was advised to look into the issues that affect the Counties that the Committee will visit during the public participation on the Livestock Protection and Sustainability Bill, 2023 (Senate Bills No. 32 of 2023). This is to enable the Committee to pick up on the issues and interrogate them.
2. The Committee noted that Bills are not the only business that should be handled by the Committee and that the Committee should focus on oversight too.
3. Concern was raised on the composition of the Committee membership and noted that some members were not taking the committee seriously.

MIN/SEN/SCA/1057/2025 - ADJOURNMENT

There being no other business, the meeting adjourned at 11.30 a.m. The next meeting would be communicated by notice.

CONSIDERATION OF THE NATIONAL ASSEMBLY AMENDMENTS TO THE COFFEE BILL, 2023 (SENATE BILLS NO. 10 OF 2023)

The Legal Counsel took the members through the National Assembly amendments to the Coffee Bill, 2023 (Senate Bills 10 of 2023) as follows:

Clause 39 on Coffee Production - by deleting subclause (1); and;

Committee Resolution - the Committee declined this amendment since the institute will disseminate coffee production and processing technologies in collaboration with the county governments. The provisions on (1) will suitably be placed in part IX which provides for the functions of the institute.

Subclause (2) by deleting the words “county executive member” and substituting therefore the words “county government”.

Resolution by the Committee – The Committee declined the amendment. Its important to assign responsibilities to a specific person for purposes of accountability.

Clause 40 on Importation of coffee planting materials - Clause 40 of the Bill be amended in subclause (1) by inserting the words "and licensed" immediately after the words "been registered".

Committee Resolution - the Committee declined this amendment. The Committee suggested that during mediation a way should be explored to not restrict persons who are importing for personal use but if it's a business, then they should be registered.

Licensing of plants is done by Kephis unless it's done in collaboration with the Board of the Institute.

Clause 42 of the Bill be amended a) in subclause (3), by deleting the words "county executive committee member" and substituting therefor the words "county government".

Resolution by the Committee - The Committee declined the amendment. It's important to assign responsibilities to a specific person for purposes of accountability.

Clause 43 Certification of Kenyan Coffee be amended

- a) in subclause (4), by deleting the words "county executive committee member" appearing in paragraph (b) and substituting therefor the words "county government"; and
- b) in subclause (5), by deleting the words "county executive committee member" and substituting therefor the words "county government".

Resolution by the Committee - The Committee declined the amendment. It's important to assign responsibilities to a specific person for purposes of accountability.

Clause 44 on Requirements relating to coffee processing be amended by replacing the National Standards and Industry Code of Practice with the Coffee Standards and Industry Code of Practice."

Committee Resolution - The Committee accepted the amendment since it's specific to coffee industry.

Clause 45 on Requirements relating to coffee traceability and disclosures be amended in subclause (3) by deleting the words "comprehensive" appearing in paragraph (b).

Committee Resolution - The Committee declined the amendment to the word comprehensive since it is used to refer to the extent of coverage meaning a cover that offers total protection.

New Provision "45A(1) A coffee miller may bulk parchment or buni or coffee of the same quality and characteristics in order to attain millable quantities.

Committee Resolution - The Committee accepted the provision. This provision was moved from 48 to 45 for better flow, and combined with other provisions on milling.

Clause 47 on Milling service be amended by deleting the subclause (2).

Committee Resolution - The Committee declined this amendment. This is important to ensure accountability. Presently the processing of coffee especially milling is shrewd in mystery.

Clause 49 on Coffee trading be amended by replacing ‘with county governments and the Board may prescribe’ with “the relevant licensing authority may prescribe”.

Committee Resolution - The Committee declined this amendment. The decision to amend this section will affect growers in general. Agriculture hence Coffee being a devolved function, there is need to involve County governments.

Clause 50 on International and local direct coffee sales be amended by deleting the word “monthly” and substituting therefore the word “quarterly”.

Committee Resolution - The Committee accepted this amendment.

Clause 53 on Sales Catalogue be amended to read “(1) A grower or a broker appointed by a grower shall, in consultation with an exchange, prepare a sales catalogue for coffee destined for sale at exchange in a licensed warehouse in accordance with the Act”.

Committee Resolution – the Committee declined the amendment since the presence of a miller and grower was meant to ensure accountability.

Clause 57 on Export and import of coffee be amended Inserting the words “of quality analysis” immediately after the word “certificate” appearing in paragraph (a).

Committee Resolution – the Committee accepted the amendment to insert the words “of quality analysis”. Further, the Committee resolved to delete the words “Kenya Plant Health Inspectorate Service since their mandate is to inspect seeds and seedlings” and the responsibility be given to the Board.

Clause 60 on Quality assurance for coffee industry (1) and (9) be amended by adding the words “in collaboration with the respective licencing authority shall” immediately after the word Board.

Committee Resolution – The Committee declined the amendment. We cannot take away the responsibility of enforcing standards from the counties because it’s a role assigned to counties under part 2 of the second schedule to the Constitution.

(2) be amended to add the words “in consultation with an accredited university of higher learning and industry stakeholders” immediately after the word “Board”.

Committee Resolution - The Committee accepted this amendment.

“(5) be amended to replace “County Executive Committee Member” with the words “county governments”

Resolution by the Committee – The Committee declined the amendment. Its important to assign responsibilities to a specific person for purposes of accountability.

“(7) be amended to add the word “maximum” immediately after the word “permissible”

Committee Resolution – The Committee declined the amendment since the word permissible covers both maximum and minimum.

Clause 61 on inspections in subclause (1) be amended by deleting the words “county executive committee member” and substituting therefor the words “county government”;

Resolution by the Committee – The Committee declined the amendment. Its important to assign responsibilities to a specific person for purposes of accountability.

Clause 64 on Coffee development Levy be amended by deleting the marginal note and substituting therefor the following new marginal note “Coffee development and marketing levy”.

Committee Resolution – The Committee accepted this amendment. The fund is providing for both development and marketing.

(1) Deleting the words “two per centum” and substituting therefor the words “two and a half per centum” in Subclause (1).

Committee Resolution – The Committee rejected this amendment. Always revert to the lower tax.

“(2) be amended as - The levy imposed under subsection (1) shall be apportioned as follows—

- a) thirty-five per centum to the Institute;
- b) twenty per centum to the Board for regulatory purposes;
- c) fifteen per centum to the Board for marketing purposes; and
- d) ten per centum to the counties growing areas on pro-rata basis as a conditional grant for coffee development.”

Committee Resolution – The Committee rejected the amendment because it was reducing the allocation to county government and since agriculture is devolved, the Counties should get more. Further, there is no justification for increasing the

allocation to the Board to 20% from 15% which will only be used for administrative purposes.

Clause 67 on Annual report and publication be amended in subclause (3) by deleting the words “the National Assembly and Senate” and substituting therefore the word “Parliament”.

Committee Resolution – The Committee declined this amendment. We legislate in this manner for purposes of clarity.

PRELIMINARIES

The meeting was called to order at 2.33 p.m. followed by a word of prayer.

MIN/SEN/SCA/1014/2025 -

ADOPTION OF THE AGENDA

The agenda was adopted after being proposed by Sen. Alexander Mundigi, MP and seconded by Sen. Sheikh Mohamed Abbas, CBS, MP as follows –

1. Prayer;
2. Adoption of the Agenda;
3. Consideration of the National Assembly Amendments to the Coffee Bill, 2023

MIN/SEN/SCA/1015/2025 - CONSIDERATION OF THE NATIONAL ASSEMBLY AMENDMENTS TO THE COFFEE BILL, 2023

The Chairperson invited the secretariat to take the Committee through the National Assembly Amendments to the Coffee Bill, 2023. The Committee was informed as follows-

Clause 2 on interpretation be amended by replacing the word “sell: with the word “to offer” in the definition of the word Broker to read as follows: **“broker”** means a person cleared by the exchange and licensed by the Capital Markets Authority, appointed by a grower or an association of growers in accordance with the Capital Markets Act, to offer their coffee on their behalf through the Exchange”

Resolution By the Committee: The Committee accepted the amendment but with further amendment to read “to offer for sale on behalf of the grower or an association of growers through the exchange. This means that the broker will only be authorized to present the coffee at the exchange and source for potential buyers. The actual sale will be executed by the appointee.

Amend the definition “buyer” which means an incorporated company licensed by the Board to buy clean coffee at an exchange for export, local sale or value addition or to import clean coffee for secondary processing in Kenya; **with** person or entity licensed by the Board to buy clean coffee at an exchange from a cooperative society, registered grower, coffee union, grower-miller or coffee estate for export, local sale, value addition.”

Resolution by the Committee: The Committee accepted the amendment. Although the purpose of this provision was to put a safeguard measure to ensure that only incorporated companies are licenced to buy coffee in order to curb coffee theft. The Committee felt that it was too restrictive.

Committee Observation: The Committee proposed a further amendment to remove the word “registered”.

Deleting the definition of “clearing and settlement

Resolution by the Committee: The Committee accepted the amendment. This goes into the internal processes of the exchange which we agree is over legislating.

Definition of “coffee grower” be amended to remove the words “linked to a pulping station

Resolution by the Committee

The Committee accepted the amendment,

Amend the definition of a “sales catalogue” to delete the words “in the presence of a commercial miller”

Resolution by the Committee – The Committee declined the amendment. We have had incidences of stealing of coffee such that the amount that is declared after milling is sometimes understated or is not declared at all to the grower before the coffee is presented to the exchange for sale. This was therefore proposed to ensure accountability.

Amend the definition “secondary processing” to include the word “buni” to read “secondary processing” means parchment and *buni* de-husking, polishing, grading and may include grinding, and packaging of clean coffee beans.

Resolution by the Committee – The Committee accepted the amendment.

Amend the definition of the word “small holder”

Resolution by the Committee – There was no amendment.

New definition - inserting the following new definitions in their proper alphabetical sequence—

- a) “Authority” means Capital Markets Authority Cap.485 established under the Capital Markets Act”;
- b) “miller” means a person who is involved in the process of de-husking and possible grading of coffee and includes grading of clean coffee”; and
- c) “roaster” means a person who is in the business or process of turning green coffee into usable coffee products”;

Resolution by the Committee – The committee accepted the new definitions for clarity.

Clause 3 on objects be amended to replace “e) Promote the vertical integration of the coffee value chain at the production level for the purpose of achieving economies of scale and managing risk”; **with** “(e) promote integration of the value chain actors for purposes of achieving economies of scale;”

Resolution by the Committee – The Committee declined the amendment.

Amend subclause “(f) Promote evidence-based coffee research and the delivery of extension services for the development of the coffee sector” by replacing it **with** “(f) promotion of coffee research and training for the development of the coffee sector;”.

Resolution by the Committee – The Committee declined this amendment. This is what is provided for in the Bill.

Amend (g) provide a framework for –the establishment of a coffee development levy; add the word “and management” immediately after the word “establishment”

Resolution by the Committee – The Committee accepted the amendment.

Clause 6 on powers of the Board be amended in subclause (e) to read“ operate a bank account or bank accounts into which all monies received by the Board shall be paid in the first instance and out of which all payments made by the Board shall be made.”

Resolution by the Committee – The Committee accepted the amendment.

Amend subclause “(2) The Board may, if it considers necessary, enter into association with such bodies or organisations whose objects and purpose support the promotion of the coffee industry.”

Resolution by the Committee – The Committee accepted the amendment.

Clause 8 on Qualification for appointment amend to add a new provision “(2) For purposes of this section, “coffee management” means the process of increasing coffee production per tree, including choice of appropriate agroecology, determination of plant population, planting, crop husbandry, harvesting and conveying through pulping stations.”

Resolution by the Committee – The Committee declined the amendment. This only applies to the qualification of Board members.

Clause 11 on Functions of the Board be amended in subclause “(e) collect, collate and maintain a data base to ensure ease of access to information on the coffee industry;”

Resolution by the Committee – The Committee declined the amendment.

Amend subclause (f) to read “(f) conduct national and international coffee market intelligence and surveys to facilitate market access and inform promotional and branding strategies including the application of the Kenya Coffee Mark of Origin;”.

Resolution by the Committee – The Committee accepted the amendment.

Amend subclause (p) to read “(p) source for and market Kenyan coffee internationally;”

Resolution by the Committee – The Committee accepted the amendment to correct the grammar.

Add a new provision “(pa) adopt marketing strategies that leverage digital platforms to reach broader audience and boost coffee sales;”

Resolution by the Committee – The Committee accepted the amendment.

Amend subclause (2) to read “(2) The Board shall, in the performance of its functions under this Act, consult and collaborate with the relevant licensing authority and other industry players”.

Resolution by the Committee – The Committee declined the amendment. Not all functions are about licensing. Agriculture is a devolved function and therefore consulting with COG is essential. Being general/not expressly providing for consultation is a way of trying to make the provision ambiguous.

Clause 12 on Committees of the board of directors be amended in subclause 2 to read “(2) The Board of directors may co-opt persons whose knowledge and skills are necessary for resolution of any pertinent matter under consideration by the committee or the Board for performance of its function and exercise of its powers under this Act.

Resolution by the Committee – The Committee accepted the amendment to ensure the co-opting is done only when matters are under consideration.

New provision - 3) Notwithstanding subclause (2), the Board shall not co-opt more than five (5) persons at any particular time.”

Resolution by the Committee – The Committee accepted the amendment.

Clause 14 on remuneration of members of the board of directors be amended to read “14. The members of the Board of Directors shall be paid such remuneration as the Salaries and Remuneration Commission shall determine”.

Resolution by the Committee – The Committee accepted the amendment. Remuneration includes allowances.

Clause 15 on Chief executive officer be amended in subclause (2)(a) to replace degree with “postgraduate degree”

Resolution by the Committee – The Committee declined the amendment and maintained what is in the Bill since Mwongozo guidelines state that a CEO should have a University Degree

Subclause (2) (b) be amended to replace 5 years with 10 years.

Resolution by the Committee – The Committee declined the amendment and maintained what is in the Bill since Mwongozo guidelines state that a CEO should have 6 years’ experience.

Clause 23 on Role of county governments in subclause (2) be amended to replace “county executive committee member” with “county government”

Resolution by the Committee – The Committee declined the amendment. Its important to assign responsibilities to a specific person for purposes of accountability.

Subclause (3) be amended to replace “county executive committee member” with “county government”

Resolution by the Committee – The Committee declined the amendment. Its important to assign responsibilities to a specific person for purposes of accountability.

Clause 24 on Enactment of county specific legislation be amended by adding a new provision

(a) re-numbering the existing provision as subclause (1); and

(b) inserting the following new subclause immediately after subclause (1)—

“(2) The Cabinet Secretary shall, in consultation with the Board and county governments prescribe standards and guidelines to be adhered to while enacting specific county legislation.”

Resolution by the Committee – The Committee declined the amendment. Article 191 provides on how National laws and County laws should be enacted. The Cabinet secretary cannot prescribe standards on how counties should enact their legislation.

Clause 25 on Licencing of coffee operations be amended in subclause (3) to read “(3) The licensing authority shall consider the application and may issue to the applicant a licence in accordance with the respective county legislation.”

Resolution by the Committee – The Committee declined the amendment. This part is applicable to Counties because they are the licencing authorities.

Clause 26 on Regulation of production and processing of coffee be amended in subclause (a) to read “(a) promoting production and productivity;”

Resolution by the Committee – The Committee accepted the amendment.

Amend subclause (2) to read_“(2) A county government shall regularly share the necessary statistical information with respect to the coffee sector with the Board and such information shall form the basis for proper planning by the Board.”

Resolution by the Committee – The Committee declined the amendment. This are two different provision, one is providing for maintaining and the other on sharing. Perhaps both can be combined. The sharing should be both ways.

Clause 27 on Registration be amended to read “Each county government shall submit to the Board a copy of the register under subsection (6) Annually” .

Resolution by the Committee – The Committee accepted the amendment.

Clause 28 on licensing be amended to read Clause 28 of the Bill be amended—

- 1) in subclause (2), by deleting paragraph (a);
- 2) by deleting subclause 4;
- 3) by deleting subclause 5;
- 4) by deleting subclause 6; and
- 5) by deleting subclause 7

Resolution by the Committee – The Committee accepted the amendments except on (4) to reduce the bureaucracy and costs of gazettement. Under (4) its important to inform the applicants the reasons for refusal.

Clause 30 be amended to read “(2) A person shall not conduct the business of a coffee exchange, agent or offer brokerage services at the exchange unless that person is licensed by the Authority in accordance with the provisions of the Capital Markets Act”.

Resolution by the Committee – The Committee declined the amendment. Agents were replaced by brokers for smooth operation.

Clause 32 on returns be amended to read “ A licence holder shall submit quarterly returns to the relevant licensing authority in the prescribed form”

Resolution by the Committee – The Committee accepted the amendment to replace monthly with quarterly.

Clause 33 on movement permits be amended by deleting the words “county executive committee member” and substituting therefore the words “county government”. Its important to assign responsibilities to a specific person for purposes of accountability.

Resolution by the Committee – The Committee declined the amendment. Its important to assign responsibilities to a specific person for purposes of accountability.

Clause 37 on Submission of reports be amended by deleting the words “county executive committee member” and substituting therefore the words “county government”. Its important to assign responsibilities to a specific person for purposes of accountability.

Clause 38 on appeals be amended by moving Part IX-COFFEE RESEARCH AND TRAINING INSTITUTE OF KENYA (Clauses 69 to 84) to appear immediately after Clause 38;

By moving Part X-FINANCIAL PROVISIONS OF THE INSTITUTE (Clauses 85 to 91) to appear immediately after the following new Part VA-. COFFEE RESEARCH AND TRAINING INSTITUTE OF KENYA.

Resolution by the Committee – The Committee declined the amendment. It's good drafting style but not necessary.
