**E. MOTION - IMPLEMENTATION OF AN AUTOMATED AND DECENTRALIZED CERTIFICATE OF GOOD CONDUCT SYSTEM IN KENYA**

(Sen. Joe Nyutu, MP)

**THAT AWARE THAT** a Certificate of Good Conduct is a major requirement for Kenyan citizens in accessing employment, business opportunities, and, in some instances, financial engagements with financial institutions in Kenya, with the certificate having a validity period of one year;

**CONCERNED THAT** many Kenyans are compelled to travel long distances to access this service, both for the initial application and for any subsequent applications making the process tedious, time-consuming, and costly;

**FURTHER CONCERNED THAT** the current manual application system is prone to delays and inconsistencies, which may compromise the authenticity and integrity of a Certificate of Good Conduct;

**COGNIZANT THAT** the importance of introducing an automated Good Conduct Certification system, including the utilization of biometric fingerprint verification through the deployment of biometric kits, will enhance accuracy, security, and expediency in verifying individual's record;

**NOW THEREFORE,** the Senate resolves that the National Police Service Commission, in collaboration with the Ministry of Interior and National Administration to:

1. develop and implement an automated Good Conduct certification system designed to streamline the issuance, renewal, and verification of certificates of good conduct;
2. incorporate advanced technologies such as biometric fingerprint recognition, data encryption, and secure communication protocols to ensure the accuracy of individuals' records;

**Communication from the Chair, Messages, Petitions, Papers,  
Notices of Motion, Statements, Motions, Bills and any other

**A. MOTION - ESTABLISHMENT OF NATIONAL TEACHING AND  
REFERRAL HOSPITALS IN KENYA**

(Sen. Johnes Mwaruma, MP)

**THAT, AWARE THAT** Article 43 (1) (a) of the Constitution of Kenya provides that every person has the right to the highest attainable standard of health, including reproductive health care;

**NOTING THAT** in Kenya, we have five National Teaching and Referral hospitals with Kenyatta University Research and Teaching Hospital in Kiambu County and Moi Teaching and Referral Hospital in Eldoret, Uasin Gishu County being the only ones outside Nairobi County;

**CONCERNED THAT** the bed capacity, medical equipment and human capital in these National Teaching and Referral hospitals are not sufficient to absorb all the patients seeking specialized treatment;

**FURTHER CONCERNED THAT** many Kenyans with critical health conditions travel long distances in order to access specialized services in Moi Teaching and Referral Hospital in Eldoret or Nairobi where the other four National Teaching and Referral hospitals are located, leading to high cost of travel, augmented disease and in some cases deaths along the way;

**NOW THEREFORE** the Senate urges-

1. The Ministry of Health to:

- i. Establish National Teaching and Referral hospitals in the Coast, Eastern, North Eastern, Nyanza and Western regions; and
- ii. Fully equip the National Teaching and Referral Hospitals with modern medical equipment, medical supplies and personnel; and

2. The County Governments to allocate more funds to their respective health dockets to adequately facilitate their County Level 5 and Level 6 hospitals in order to enhance provision of critical health services to reduce the demand for such services from the National Teaching and Referral Hospitals.

**B. MOTION - WELFARE OF INTERNS WORKING UNDER THE PUBLIC SERVICE COMMISSION (PSC)**

(Sen. Samson Cherarkey, MP)

**THAT, AWARE THAT,** the Public Service Commission has provided internship opportunity to many youths in various government Departments and Agencies for a period not exceeding one year pursuant to Guidelines on Management of the Public Service Internship Programme of October, 2019;

**APPRECIATING THAT,** since its inception, the internship programme in Kenya has been instrumental in providing practical experience to graduates, enhanced employability, offered networking opportunities and has on a number of occasions led to full-time jobs to graduates;

**CONCERNED THAT,** internship opportunities are limited in number, skewed in distribution across government Departments and Agencies, lack clear pathway to permanent employment, have inadequate opportunities for skill development due to the short duration that they are offered and that the stipend offered to PSC interns is insufficient with an average stipend ranging from Ksh. 15,000 to Ksh. 30,000 per month which is not sustainable especially to interns living in major cities like Nairobi, Mombasa and Kisumu where the cost of living is too high;

**NOW THEREFORE** the Senate resolves that the Cabinet Secretary for Public Service and Human Capital Development in consultation with the Public Service Commission reviews the Guidelines to the Public Service Internship Programme of October, 2019 with a view to: -

1. increase the stipend offered to interns to cushion them against the high cost of living; and
2. put in place mechanisms to promote and reward innovation by interns.

**C. MOTION - INSTALLATION OF CCTV CAMERAS IN ALL POLICE STATIONS, CELLS AND POLICE REPORTING DESKS**

(Sen. Karen Nyamu, MP)

**AWARE THAT** Article 51 provides that a person who is detained, held in custody or imprisoned under the law, retains all the rights and fundamental freedoms in the Bill of Rights, except to the extent that any particular right or a fundamental freedom is clearly incompatible with the fact that the person is detained, held in custody or imprisoned;

**FURTHER AWARE THAT** the National taskforce on improvement of the terms and conditions of service and other reforms for members of the National Police Service and Kenya Prison Service recommended adequate Government funding for the National Police Service to modernize its facilities, equipment and gear, and enhance its logistical and technological capabilities for National Police Service officers in order to enable the Service discharge its mandate efficiently and effectively;

**COGNIZANT THAT** the Bill of Rights provides for protection of human rights, prevention of abuse and upholding of the rule of law within detention facilities and police stations;

**CONCERNED THAT** there has been increasing reports of human rights violations, abuse, unexplained injuries, and deaths in custody, as well as security breaches and escapes from police cells across the country;

**FURTHER CONCERNED THAT** despite the recommendations by the Justice Maraga task force, little or no efforts have been made to ensure modernization of police cells by installation of Closed-Circuit Television (CCTV) cameras and police reporting desks thereby affecting public trust and accountability on what happens to persons in police custody;

**NOW THEREFORE**, the Senate resolves that the National Government, through the Ministry of Interior and National Administration:

1. installs functional and tamper-proof CCTV cameras in all police stations, cells and police reporting desks across the country;
2. ensures that all CCTV systems are monitored in real-time and that footage is securely stored and made accessible during investigations, judicial processes; and
3. provides the necessary resources, technical support, and training to law enforcement officers for the effective operation and maintenance of CCTV systems and continuous digitization of Occurrence Book platforms.

**D. MOTION – PROVISION OF IFMIS REPORTS FOR COUNTY GOVERNMENTS TO THE SENATE**

(Sen. Andrew Omtatah Okoiti, MP)

**THAT, AWARE** that, Article 96 of the Constitution provides that the Senate represents the counties, and serves to protect their interests, determines the

allocation of national revenue among counties, as provided in Article 217, and exercises oversight over national revenue allocated to the County Governments;

**FURTHER AWARE THAT**, in the case of The Senate, the Council of Governors and 6 others Petition No. 24 and 27 of 2029 (consolidated) 2022 KESC No. 57(KLR), the Supreme Court affirmed that the Senate's oversight authority extends to both nationally allocated and locally generated revenue;

**CONCERNED THAT**, that Senators are constrained by lack of access to real time to data from the IFMIS system for the respective counties they represent, thus affecting effective oversight of County Governments;

**FURTHER CONCERNED THAT**, in some instances data and information presented to the Senate by the Auditor-General and the Controller of Budget are received and considered late as a result of the backlog resulting into too much information not getting properly reviewed by Senators;

**NOTING THAT**, as a result of unchecked financial information and systems, County Governments have continued to accumulate pending bills resulting from unplanned expenditures, unaccounted for and inflated cost of projects;

**NOW THEREFORE**, the Senate resolves, that the Cabinet Secretary in charge of the National Treasury shall on a monthly basis forward to the Clerk of the Senate all IFMIS transactions and reports for each County Government for onward transmission to the respective Senator for information on accountability and transparency, in order to strengthen their constitutional oversight and promote good governance in the management of public finances.
