The Speaker reported the following Message from the President-

**Nomination of a person for appointment as a member of the Salaries and Remuneration Commission**

“**Honourable Members**, Pursuant to the provisions of Standing Order 42(1), I wish to report to the House that I have received a Message from His Excellency the President regarding the nomination of a person for appointment as a Member of the Salaries and Remuneration Commission.

In the Message, **Honourable Members**, His Excellency the President conveys that, in exercise of the powers conferred by the provisions of Article 230(2)(b) of the Constitution, section 7(10) of the Salaries and Remuneration Commission Act, Cap 412D and sections 3 and 5 of the Public Appointments (Parliamentary Approval) Act, CAP 7F, he has nominated **Hon. (Eng.) Michael Thoyah Kingi** for appointment as a representative of the Public Service Commission to the Salaries and Remuneration Commission. The President now seeks the approval of the nominee by the House pursuant to Article 250(2)(b) of the Constitution.

**Honourable Members**, Standing Order 45 provides that, upon receipt of a notification of nomination for appointment, such nomination shall stand committed to the relevant Departmental Committee for consideration. In this regard, I hereby refer the Message from His Excellency the President, together with the Curriculum Vitae, and other testimonials of the nominee to the **Departmental Committee on Labour** for consideration.

**Honourable Members**, it is important to note that, whereas section 8 of the Public Appointments (Parliamentary Approval) Act, Cap. 7F requires the Committee to which such nomination is referred to consider the matter and table a report in the House

within twenty-eight (28) days, section 7(11) of the Salaries and Remuneration Commission Act, Cap 412D provides for a shorter period, being **fourteen (14) days**.

In this regard, the Committee is expected to undertake the approval hearings and submit its report within the timeline of **fourteen (14) days** as provided for in the Salaries and Remuneration Commission Act, Cap 412D.

**Honourable Members**, conscious of the fact that the fourteenth day falls within a period when the House will be on short recess, I direct that the counting of days ceases during the recess period and resumes when the House first sits after the recess.

To this end, the Committee is expected to immediately commence the approval process, notify the nominee and the general public of the time and place for holding the approval hearing. Thereafter, upon conclusion of the approval hearing, the Committee should table its report on **Tuesday, 4<sup>th</sup> November 2025**, to enable the House to consider the matter within the prescribed statutory timelines. I thank you.”

## **7. PETITIONS**

The Speaker reported the following Petition –

### **Access to healthcare by cancer patients in the country**

“**Honourable Members**, Article 119 of the Constitution accords any person the right to petition Parliament to consider any matters within its authority. Further, Standing Order 225(2) (b) requires the Speaker to report to the House any Petition other than those presented by a Member.

In this regard, Honourable Members, I wish to report to the House that my office has received a Petition from the Kenya Network of Cancer Organisation (KENCO), which represents over 70 civil society groups and thousands of cancer patients in Kenya.

**Honourable Members**, the Organisation is seeking to highlight systemic failures experienced through the Social Health Authority (SHA), and to call for urgent reforms in cancer care financing. Various challenges have been encountered by cancer patients through SHA in the following ways: reduced and inadequate cancer benefit packages, bureaucratic delays and system failures, poor communication and lack of transparency, service suspensions due to pending bills, overseas treatment policy changes, underfunding of SHA funds and emotional and mental strain.

The Kenya Network of Cancer Organisation (KENCO) further contends that universal and fair health coverage remains far from reality for cancer patients. It requires urgent

reforms, otherwise cancer patients will continue to experience needless delays, overwhelming costs, and avoidable deaths.

**Honourable Members**, the Kenya Network of Cancer Organisation (KENCO) concludes by praying that the National Assembly—

- (i) Ensuring an enhancement of oncology benefits which were cut from Kshs. 600,000 per individual under NHIF to Kshs. 400,000 per household under SHA;
- (ii) Commissions an independent audit of SHA funds, reviewing benefit structures, creating reforms for fairness and sustainability in cancer care financing, and ensuring adequate allocation of funds to the Primary Healthcare Fund and the Emergency, Chronic and Critical Illness Fund; and
- (iii) Makes any other order or direction that it deems fit in addressing the plight of the petitioners.

Given the nature of the prayers sought by the Kenya Network of Cancer Organisation (KENCO), I hereby commit this matter to the Departmental Committee on Health for consideration, especially as the Committee is seized of similar matters. The Committee is required to consider the matters contained in the prayers of the Organisation, conduct an inquiry, and report its findings to the House and to the Petitioners. Further, the Committee will also be expected to provide policy and legislative interventions to be actualized by this House, to bring this matter which keeps recurring to closure.

As I conclude, I wish to recognise the presence of ten (10) officials of KENCO seated in the Speaker's Gallery. May I ask them to rise for the House to recognize them. I thank you."
