6. **NOTICE OF MOTION - MAINSTREAMING GENDER PERSPECTIVES IN LEGISLATIVE AND POLICY PROCESSES**

(Sen. Veronica Maina, MP)

THAT AWARE THAT, Article 27 of the Constitution of Kenya guarantees the right to equality and freedom from discrimination, with Article 27(3) providing that women and men have the right to equal treatment, including the right to equal opportunities in political, economic, cultural and social spheres;

FURTHER AWARE that Article 27(8) obligates the State to take legislative and other measures to redress any disadvantage suffered by individuals or groups as a result of past discrimination, and to ensure that not more than two-thirds of members of elective or appointive bodies shall be of the same gender;

COGNIZANT THAT mainstreaming gender perspectives in all aspects of governance is essential to achieving inclusive development and safeguarding

the rights and welfare of all citizens, particularly women, girls and other marginalized groups;

CONCERNED THAT the integration of gender considerations remain inconsistent across the two levels of government and that legislative processes have often resulted to policies that do not adequately address gender-specific needs and realities;

NOW THEREFORE, the Senate:

- a) urges Parliament, County Assemblies and their respective legislative committees to incorporate a gender analysis in the scrutiny of legislation, policies, programmes and budgets before them, including through the use of gender impact assessments and consultation with gender-focused stakeholders to ensure gender-responsive governance;
- b) recommends that the National Gender and Equality Commission and the State Department for Gender develops clear guidelines and tools to support the integration of gender perspectives in legislative, policy and budgetary analysis, and ensures these are disseminated and adopted by relevant government and legislative bodies;
- c) further urges the National Gender and Equality Commission and State Department for Gender to collaborate with the Kenya Law Reform Commission, and County Assembly Service Boards to build capacity for gender analysis among technical and legislative staff;
- d) urges the State Department for Gender to submit to Parliament a comprehensive biannual report detailing actions taken by Ministries, Departments and Agencies to promote gender mainstreaming, key achievements, emerging challenges, and proposed interventions; and
- e) resolves that the Standing Committee on Labour and Social Welfare continuously monitor the implementation of these resolutions and tables biannual report on the status of implementation.

7. **NOTICE OF MOTION – PROMOTION OF ARTIFICIAL INTELLIGENCE (AI) AND INNOVATION POLICY IN KENYA**  
(Sen. Karungo Thang’wa, MP)

THAT AWARE THAT, the Fourth Industrial Revolution is redefining economies globally through emerging technologies such as Artificial Intelligence (AI), blockchain, and financial technology (Fintech);

FURTHER AWARE THAT Kenya has made commendable strides in digital infrastructure and mobile innovation, positioning itself as a potential leader in Africa’s tech-driven future;

NOTING THAT in a landmark decision, the African Union Executive Council endorsed the Continental AI Strategy during its 45th Ordinary Session in Accra, Ghana, on July 18-19, 2024 to underscore Africa's commitment to an Africa-centric, development-focused approach to AI, promoting ethical, responsible, and equitable practices;

COGNIZANT THAT the Continental AI Strategy calls for unified national approaches among AU Member States to navigate the opportunities of AI-driven change, aiming to strengthen regional and global cooperation and position Africa as a leader in inclusive and responsible AI development;

APPRECIATING THAT the Ministry of Information, Communications and the Digital Economy recently formulated and launched the Kenya National Artificial Intelligence (AI) Strategy 2025-2030;

RECOGNIZING the need to align Kenya's development with global standards in AI adoption while also safeguarding national values, inclusivity, and employment;

CONCERNED THAT the absence of a comprehensive framework may hinder innovation among local start-ups and youth-led tech enterprises and slow down Kenya's ability to harness AI for inclusive growth;

NOW THEREFORE, the Senate resolves that the Ministry of Information, Communication and Digital Economy develops a Policy to promote Artificial Intelligence and emerging technologies with particular emphasis on:

- i) promoting research and development of locally relevant AI solutions;
- ii) facilitating ethical guidelines to ensure responsible and beneficial application of AI;
- iii) creating innovation-friendly 'Sandboxes' for supervised testing of AI and emerging technologies;
- iv) strengthening public-private partnerships to build digital skills and innovation ecosystems; and
