## **SCHEDULE**

### **RESOLUTIONS RELATING TO THE PETITION NO. 41 OF 2023 REGARDING REGULATION OF TIKTOK IN KENYA**

- 1. THAT**, the Ministry of Interior & National Administration and the Ministry of Information, Communication & the Digital Economy collaborate to enhance user protection and cyber security on social media platforms including TikTok and reports to the House within four (4) months upon adoption of this report on—
  - (a) the mechanisms for enhancement of age-verification on the social media platforms, the localisation of Kenyan user data to be retained within the country, such as the setting up of local infrastructure for data security by the platforms.
  - (b) the digital literacy programs to create awareness on data privacy, processing and storage and Community Guidelines by social media platforms including TikTok.
- 2. THAT**, within four months of adoption of the Report, the Office of the Data Protection Commissioner engages social media platforms including TikTok and reports to the relevant Committee of the House on—
  - (a) levels of compliance with the laws of Kenya including the Data Protection Act, 2019 and its attendant regulations;
  - (b) details on the effectiveness of age verification and content filtering; and
  - (c) implementation of Kenya-specific supplemental terms in its privacy policy considering the provision of the law and the social media platforms including TikTok have customized the data processing to comply with Kenyan laws.
- 3. THAT**, the Departmental Committee on Communication, Information and Innovation or any Member introduces an amendment the Kenya Information and Communications Act, CAP 411A, to mandate the Communications Authority of Kenya to regulate social media platforms in the country.
- 4. THAT**, the Ministry of Information Commutation and Technology and the Digital Economy monitors all social media platforms in the country including TikTok to addresses the concerns in their content moderation by—
  - (a) auditing of the artificial intelligence (AI) moderation system to identify the loopholes, to enhance continuous improvement of the system.
  - (b) training of the AI moderation system in local languages in the country to ensure the algorithm is able to detect inappropriate content presented in the local dialects.
  - (c) ensuring adequate human content moderators to ensure vast coverage of local dialects in moderating content from Kenyan creators.
  - (d) ensuring the human content moderators have adequate psychosocial support.
  - (e) provision of information and reporting options to flag illegal or inappropriate content.

5. **THAT**, TikTok and other social media platforms without monetisation policy introduce a monetisation policy in the country to enable content creators to earn directly from their content.
6. **NOTES**, that a total ban of TikTok is not tenable because it infringes upon fundamental rights and freedoms in the country. Further, a ban of the social media platform would stifle social and economic growth and benefits of internet connectivity as the nation seeks to enhance its digital economy. However, the Committee recommends that social media platforms including TikTok be regulated and periodic compliance reviews by the relevant state agencies be institutionalised.
