

REPUBLIC OF KENYA

THIRTEENTH PARLIAMENT – (FIFTH SESSION)

THE SENATE

VOTES AND PROCEEDINGS

WEDNESDAY, FEBRUARY 18, 2026 (AFTERNOON SITTING)

1. The Senate assembled at thirty Minutes past Two O'clock.
2. The proceedings were opened with Prayer said by the Deputy Speaker.
3. **QUORUM OF THE SENATE**

The Deputy Speaker, having counted the Honourable Senators present at the commencement of the Sitting and confirming that there was no Quorum, directed that the Bell be rung for ten minutes, pursuant to Standing Order 40 (1);

And there being a Quorum after the expiry of the ten minutes;

The Deputy Speaker invited the Clerk to call the Orders of the day.

4. **COMMUNICATION FROM THE CHAIR - SUBSTANTIATION OF FACTS THAT A SENATOR ALLEGES TO BE TRUE PURSUANT TO STANDING ORDER 105 – SEN. SAMSON CHERARKEY, MP**

The Deputy Speaker conveyed the following Communication from the Chair:

“Honourable Senators,

As you may recall, at the sitting of the Senate held on Tuesday, 17th February, 2026, the Temporary Speaker (Sen. Wakili Hillary Sigei, MP) directed Sen. Samson Cherarkey, MP, to substantiate utterances made while seconding the Motion on the approval of Sen. Kiprono Chemitei Cheburet, MP to serve in Select Committees of the Senate. The direction was as a result of a Point of Order by the Senator for Kitui County, Sen. Enock Wambua, MP, pursuant to Standing Order 105.

As Honourable Senators are aware, Standing Order 105 states that –

“(1) A Senator shall be responsible for the accuracy of any facts that the Senator alleges to be true and may be required to substantiate any such facts instantly.

(2) If a Senator has sufficient reason to convince the Speaker that the Senator is unable to substantiate the allegations instantly, the Speaker shall require that such Senator substantiates the allegations not later than the next sitting day, failure to which the Senator shall be deemed to be disorderly within the meaning of Standing Order 121 (Disorderly conduct), unless the Senator withdraws the allegations and gives a suitable apology, if the Speaker so requires.”

Honourable Senators,

In the Point of Order, Sen. Cherarkey, MP, was required to substantiate the statement that –

“We are facing issues of extrajudicial killings. There is a young man called Ayomo who was unfortunately killed in Kitengela over the weekend. I urge our colleagues who organise political rallies, because I can see a number of them in this House, not to sponsor violence in their own meetings. They need to notify the police in good time. They should issue notifications and stop sponsoring violence in their own meetings.”

Honourable Senators,

Upon being challenged by Sen. Enock Wambua, MP, Sen. Cherarkey, MP, was not able to substantiate his statement as required pursuant to Standing Order 105(1). He subsequently requested the Temporary Speaker (Sen. Wakili Hillary Sigei, MP) to provide the evidence at the next sitting day in accordance with Standing Order 105 (2). Having acceded to the request, the Temporary Speaker (Sen. Wakili Hillary Sigei, MP) directed that the Senator substantiates the statement at the next sitting day.

Accordingly, and pursuant to Standing Order 105 (2), I now invite Sen. Samson Cherarkey, MP to forthwith substantiate the claim in the statement he made, failure to which, the Senator shall be deemed to be disorderly within the meaning of Standing Order 121. In the absence of such substantiation, the Senator will be required to withdraw the statements and apologize to the Senate.

I thank you.”

Thereupon, Sen. Samson Cherarkey, MP withdrew the claim and apologized to the Senate.

6. **NOTICE OF MOTION - CONSIDERATION OF THE REPORT OF THE STANDING COMMITTEE ON LABOUR AND SOCIAL WELFARE ON A PETITION TO THE SENATE BY MS. BEATRICE LIKWOP CONCERNING PEOPLE LIVING WITH INVISIBLE DISABILITY**

(The Chairperson, Standing Committee on Labour and Social Welfare)

THAT, the Senate adopts the Report of the Standing Committee on Labour and Social Welfare on a Petition to the Senate by Ms. Beatrice Likwop concerning people living with invisible disability, laid on the Table of the Senate on Tuesday, 2nd December, 2025.

7. **NOTICE OF MOTION - DECLARATION OF ROAD TRAFFIC ACCIDENTS IN KENYA AS A NATIONAL DISASTER**

(Sen. Veronica Maina, MP)

AWARE THAT, Article 43 guarantees the right to the highest attainable standard of health, including emergency medical treatment and Article 21(1) of the Constitution obligates the State and all State organs to observe, respect, protect, promote and fulfil the rights and fundamental freedoms contained in the Bill of Rights;

NOTING THAT, Article 238 of the Constitution provides that national security includes the protection of the people of Kenya and their property against internal and external threats, which encompasses safety on national transport networks;

COGNIZANT THAT, road traffic injuries are among the leading causes of death in Kenya and constitute the leading cause of mortality among adolescents and adults in their most economically productive years, surpassing many communicable and non-communicable diseases resulting in significant loss of human capital and productivity;

NOTING THAT, in 2025 more than 4,400 Kenyans lost their lives with over 17,000 injuries from road crashes, a 3% increase over the previous year, while nearly 400 people were killed in road traffic accidents in January 2026 alone, representing an 11% increase compared to the same period in the previous year, illustrating a continuing trend of preventable loss of life;

CONCERNED THAT, beyond loss of life, road traffic accidents result in long-term disability, psychological trauma, family disruption and significant economic loss, with estimates suggesting losses amounting to billions of shillings annually to the national economy, while placing severe strain on health facilities and emergency services;

FURTHER CONCERNED THAT, despite the existence of the National Road Safety Action Plan (2024–2028) and other statutory measures, road carnage persists due to preliminary causes including over-speeding, impaired and distracted driving, non-compliance with traffic laws, inadequate driver training, unsafe road infrastructure, unroadworthy and overloaded vehicles, as well as systemic challenges arising from inadequate investment in road safety infrastructure, weak coordination among transport, enforcement, health and county authorities, and limited emergency medical response capacity;

NOW THEREFORE, THE SENATE resolves that:

1. Road traffic accidents in Kenya be declared a National Disaster, requiring urgent, coordinated and sustained multi-sectoral intervention across prevention, emergency response, rehabilitation and long-term systemic reform;

2. The Ministry of Roads and Transport and the Ministry of Health in conjunction with the National Transport and Safety Authority, the National Police Service and the Council of Governors, urgently strengthen the implementation of the National Road Safety Action Plan (2024–2028), including enhanced enforcement of traffic laws, safer road design, public education, data-driven interventions and improved emergency response capacity;
3. The Ministry of Health in collaboration with the County Governments to set aside adequate resources to support road safety interventions, emergency medical services, trauma care systems and post-crash rehabilitation services, and
4. The National Treasury in collaboration with the Ministry of Roads and Transport establishes a Road Safety Disaster Response Fund to support road safety interventions, victims and families affected by the road accidents.

8. QUESTIONS AND STATEMENTS

(a) Statements pursuant to Standing Order 52 (1)

- i) Nominated Senator (Sen. Veronica Maina, MP) made a Statement regarding protection of children from violence, neglect, abuse and exploitation.

Thereupon, the Senator informed the Senate that the nation was deeply shaken by the brutal murder of nine-year-old Shantel Waruguru from Nyeri County, exposing serious weaknesses in Kenya's child protection and law enforcement systems. She stated that the case reflected a troubling rise in violence against children across several counties, often involving extreme brutality and neglect.

Further, the Senator noted that despite the constitutional and legal guarantees of children's rights under Article 53 of the Constitution and the Children Act, 2022, persistent cases of abuse against children revealed major failures in implementation, coordination, and timely response by relevant agencies.

The Senator called on the Government to strengthen community-based protection systems, establish rapid response mechanisms for missing children, enforce accountability among duty bearers, and fast-track investigations to ensure justice. In conclusion she emphasised that protecting children is a shared national responsibility that must be urgently strengthened.

- ii) Nominated Senator (Sen. Hezena Lemaletian, MP) made a Statement regarding the Forum of Parliaments of the Member States of the International Conference on the Great Lakes Region (FP-ICGLR) Electoral Observation Mission to the Republic of Uganda during the 2026 General Elections held on 15th January, 2026.

Thereupon, the Senator informed the Senate that the Electoral Observation Mission was deployed to Uganda following an invitation by its Government through the Electoral Commission, in line with regional and international commitments to democratic governance. She stated that the Mission, comprising parliamentarians and experts from FP-ICGLR Member States including Kenya, was mandated to assess the electoral process against regional standards, Uganda's Constitution, and electoral laws.

The Senator stated that the Mission conducted a pre-election assessment of the political and legal environment, engaging key stakeholders to evaluate preparedness. She observed that the Electoral Commission implemented most of its roadmap, including voter registration, verification, and civic education, noting that the introduction of biometric and facial identification technology marked progress toward enhancing electoral integrity.

The Senator reported that the campaign period was relatively peaceful, though concerns arose over unequal campaign conditions, weak regulation of campaign financing, and misuse of state resources. On polling day, observers witnessed a generally orderly and transparent voting process, with effective participation by women, youth, and persons with disabilities.

In conclusion, the Senator emphasized that elections are a continuous democratic process, urged stakeholders to resolve disputes peacefully, and reaffirmed Kenya's commitment to promoting democracy and regional cooperation through parliamentary diplomacy.

(b) Requests for Statements pursuant to Standing Order 53 (1)
