9. **THE CONSTITUTION OF KENYA (AMENDMENT) BILL (SENATE BILLS NO. 7 OF 2026)**

(Sen. James Murango, MP)

Order for First Reading read;

Bill read a First Time and committed to the Standing Committee on Devolution and Intergovernmental Relations.

10. **MOTION - INCLUSION OF TEACHER TRAINING COLLEGE STUDENTS IN THE HIGHER EDUCATION FUNDING MODEL**

Order read;

Motion made and Question proposed;

AWARE THAT, the Constitution of Kenya under Article 43(1) (f) guarantees every citizen the right to education, and Article 53 (1) (b) provides that basic education is free and compulsory;

FURTHER AWARE THAT, the government of Kenya launched the New Education Funding (NHEF) model in 2023, primarily targeting University and Tertiary and Vocational Education and Training (TVET) students, leaving a significant gap in the financial support for students in Diploma and Certificate Teacher Training Colleges (TTCs);

CONCERNED THAT, students enrolled in Public Teacher Training Colleges are discriminated against and not expressly and fully provided for under the prevailing higher education financing framework, thereby limiting or excluding their access to structured government support for tuition and accommodation;

COGNIZANT THAT, the transition to the Competency-Based Curriculum (CBC) requires a highly skilled teaching workforce, and that the financial burden on teacher trainees, many of whom come from marginalized backgrounds, threatens the sustainability of the teacher supply chain;

NOW THEREFORE, the Senate urges the Ministry of Education, in conjunction with the Higher Education Loans Board (HELB) and the Universities Fund (UF), to:

- i) formally integrate Teacher Training College students into the New Funding Model to ensure equity, quality and inclusivity in the education sector; and
- ii) develops regulations and guidelines to define the eligibility criteria for Teacher Training College students covering tuition and reasonable accommodation and upkeep costs.

(Sen. Joe Nyutu, MP – 19.03.2026)

Debate interrupted on Wednesday, 25th March, 2026 resumed for the Question to be put;

Before the Question was put, and pursuant to Standing Order No. 84 (2), the Deputy Speaker ruled that the Motion does not affect counties;

And the Deputy Speaker having ascertained that there was Quorum, pursuant to Standing Order 42 (1);

Question put and agreed to.

RESOLVED ACCORDINGLY

Motion made and Question proposed;

THAT AWARE THAT, Article 27 of the Constitution of Kenya guarantees the right to equality and freedom from discrimination, with Article 27(3) providing that women and men have the right to equal treatment, including the right to equal opportunities in political, economic, cultural and social spheres;

FURTHER AWARE that Article 27(8) obligates the State to take legislative and other measures to redress any disadvantage suffered by individuals or groups as a result of past discrimination, and to ensure that not more than two-thirds of members of elective or appointive bodies shall be of the same gender;

COGNIZANT THAT mainstreaming gender perspectives in all aspects of governance is essential to achieving inclusive development and safeguarding the rights and welfare of all citizens, particularly women, girls and other marginalized groups;

CONCERNED THAT the integration of gender considerations remain inconsistent across the two levels of government and that legislative processes have often resulted to policies that do not adequately address gender-specific needs and realities;

NOW THEREFORE, the Senate:

- i) urges Parliament, County Assemblies and their respective legislative committees to incorporate a gender analysis in the scrutiny of legislation, policies, programmes and budgets before them, including through the use of gender impact assessments and consultation with gender-focused stakeholders to ensure gender-responsive governance;
- ii) recommends that the National Gender and Equality Commission and the State Department for Gender develops clear guidelines and tools to support the integration of gender perspectives in legislative, policy and budgetary analysis, and ensures these are disseminated and adopted by relevant government and legislative bodies;
