6. COMMUNICATION FROM THE CHAIR

The Speaker issued the following Communication: -

Guide on the Consideration of the Supplementary Estimates II for the Financial Year 2025/2026

“Honourable Members,

I wish to draw your attention to the Paper Laid by the Leader of the Majority Party on the Second Supplementary Estimates for the Financial Year 2025/2026 from the National Treasury.

Honourable Members, I am guided that the Second Supplementary Estimates seek to revise approved allocations in respect of a few specified Votes, largely for purposes of reallocations and regularising the expenditures.

In this regard, **Honourable Members**, noting the limited scope of the Second Supplementary Estimates and the period between now and 30th June 2026 for in-depth consideration of the estimates and the passage of the attendant legislation is merely two weeks, the Estimates shall **ONLY** be referred to the **Budget and Appropriations Committee**. However, the Committee may, where necessary, liaise with the relevant Departmental Committees under whose mandate the affected the Votes fall, for purposes of obtaining any sector-specific input.

I therefore direct that the Budget and Appropriations Committee considers the Second Supplementary Estimates for the Financial Year 2025/2026 and tables its report **on or before Thursday, 18th June 2026**, to enable the House to consider the Supplementary Estimates within the statutory timelines.

The House is accordingly guided. **I thank you!**"
