# SCHEDULE

## PROPOSED AMENDMENTS TO THE SESSIONAL PAPER NO. 7 OF 2026 ON THE NATIONAL INFRASTRUCTURE FUND INVESTMENT POLICY

**CHAPTER TWO**

**2 Policy guidelines**

**2.1 Purpose of the Investment Policy**

**THAT**, the Sessional Paper be amended in 2.1 (*Purpose of the Investment Policy)* by inserting the following new paragraph immediately after the second paragraph-

"The board shall operationalize a comprehensive investment policy framework establishing the principal investment guardrails applicable to the fund including the following requirements:

(a) eligible and priority infrastructure sectors;

(b) project-selection and ranking criteria;

(c) commercial viability;

(d) financial returns and the methodology for determining required returns;

(e) capital mobilization and additionality;

(f) portfolio allocation;

(g) sector and project exposure limits;

(h) leverage and borrowing;

(i) risk management;

(j) liquidity and treasury management;

(k) governance and conflict-of-interest safeguards; and

(m) monitoring, evaluation and reporting."

**2.2 General Investment Criteria**

**THAT**, the Sessional Paper be amended in paragraph 2.2 *(General Investment Criteria)*—

**(a) Demand Validation**

Under Demand Validation to include the following paragraph immediately after the words "revenue generation."—

"In determining demand validation, the project shall provide an analysis of the ability to pay and willingness to pay of the target consumers or users of the project."

**(b) Commercial Viability**

Under Commercial Viability amend paragraph 2.2 by deleting the sub paragraph titled "commercial viability and substituting the following new sub-paragraphs-

Commercial viability: A project shall demonstrate capacity to support a minimum of 60% non-recourse project debt relative to total project cost.

Where a strategically important project does not meet this threshold, appropriate project restructuring or Government Support Measures permitted under section 34 of the Act may be considered to improve bankability.

A project that remains unable to meet the minimum commercial-viability threshold should be considered through the applicable Government fiscal or budgetary funding framework rather than investment by the Fund.

Where an investment proposal departs from the Board-approved financing parameters other than the minimum project-debt requirement under this Policy, the investment appraisal shall document the rationale for the departure, incremental risks, impact on expected returns, debt-service capacity and Fund exposure, and the measures proposed to protect the Fund's capital

**(c) Financial Return**

Under Financial Return amend paragraph 2.2 by deleting the subparagraph titled "financial return" and substituting with the following subparagraph:

Financial Return: Projects shall be required to generate a positive risk-adjusted expected equity return, subject to an absolute minimum expected equity return of 7%.

Where a strategically important project cannot meet the minimum return, project restructuring or Government Support Measures permitted under section 34 may be considered where applicable. A project that remains unable to meet the minimum return should be considered through the applicable Government fiscal or budgetary funding framework rather than investment by the Fund.

**(d) Investor Readiness and Capital Mobilisation**

By inserting the following new paragraphs after immediately after the words "regulatory approvals."—

> "Investor Readiness and Capital Mobilisation: Technical readiness shall be assessed against a technical readiness framework developed by the Board. Further, technical readiness shall also contain whether the project will require government support measures"

**(e) Risk Management**

Amend paragraph 2.2 by deleting the sub-paragraph titled "Risk" and substitute the following :

"Risk Management Framework: Projects shall comply with the framework and demonstrate adequate assessment of major risks, including—

(a) financial risk;

(b) construction and completion risk;

(d) operational risk;

(e) user demand risk;

(f) legal and regulatory risk;

(g) environmental and social risk;

(h) Political Risk;

(i) foreign-exchange risk and interest-rate risk;

(j) any other material project-specific risk."

**2.3 Government Support Measures**

**THAT**, the Sessional Paper be amended in paragraph 2.3 *(Government Support Measures)* to include the following paragraph immediately after the words "support measures."—

"The project which obtains Government Support Measures shall also include the estimated contingency liabilities for the duration of the project."

**CHAPTER THREE**

**3 Proposed sectors & projects for Development**

**3.2 Proposed projects**

**THAT**, the Sessional Paper be amended by deleting paragraph 3.2 *(Proposed projects)* and substituting therefor the following new paragraph—

**3.2 Proposed projects**

"A list of proposed projects; any existing incomplete projects from the previous Investment Policy; the expected rate of return on investment for specific projects; asset allocation, portfolio distribution and leverage ratios; and exposure limits per sector and project, in accordance with the mandatory provisions of section 25 of the Act."

**3.3 Portfolio Framework/Exposure Limits**

**THAT**, the Sessional Paper be amended in paragraph 3.3 (*Portfolio Framework/Exposure Limits)* by inserting the following paragraph immediately after the words "non-recourse to the Fund."-

"The Board may adjust the maximum sector and single project exposure limits based on an assessment of correlation between sectors and projects, economies of scale, liquidity requirements, and economic impact of the sector or the single project on economic growth and employment creation."

**3.4A Conflicts of Interest**

**THAT**, the Sessional Paper be amended by inserting the following new paragraph 3.4A immediately after paragraph 3.4-

**3.4A Conflicts of Interest**
"Each project appraisal and approval shall be accompanied by a statement of actual, potential and perceived conflict of interest of any public officer or state officer in accordance with the Conflict of Interest Act."

**THAT,** Clause 51 of the Bill be amended by—

(a) renumbering the existing provision as sub-clause (1);

(b) inserting the following new sub-clauses immediately after sub-clause (1)—

(2) Subject to the provisions of this Act, a trustee may make any investment relating to the assets of the trust.

(3) In exercising any power of investment, or otherwise, a trustee shall undertake appropriate legal and financial due diligence and shall seek the necessary advice from persons qualified to render such advice in relation to the investment in question.

(4) A trustee shall not invest assets of the trust unless the trustee is authorised to do so in the trust deed and the investment is—

(a) in accordance with the purposes, terms and duration of the trust;

(b) in accordance with the interests and circumstances of the beneficiaries;

(c) commensurate to the liquidity requirements of the trust;

(d) commensurate to the nature and extent of the risks associated with the investment;

(e) does not pose any actual or potential conflict of interest to the trust or the trustee; and

(f) prudent and in the best interest of the trust.

(5) A trustee shall, from time to time, review the investments of the trust and consider whether they should be varied considering diversification and potential risk of the investment.

(6) A trustee shall not be liable for breach of trust due to continuing to hold an investment which has ceased to be an investment authorized by the trust deed or by the general law.

(7) A trustee lending money on the security of any trust property on which the trustee can lend shall not be liable for breach of trust by reason only of the proportion borne by the amount of the loan to the value of the property at the time when the loan was made, if it appears to the court that —

(a) in making the loan, the trustee was acting upon a report as to the value of the property made by a person whom the trustee reasonably believed to be a surveyor or a valuer instructed and employed independently of any owner of the property, whether the surveyor or valuer carried on business in the locality where the property is situate or elsewhere;

(b) the amount of the loan does not exceed two-thirds of the value of the property as stated in the report;

(c) the loan was made under the advice of the surveyor or valuer expressed in the report.

(8) Where a trustee improperly advances trust money on a mortgage security which would at the time of the investment be a proper investment in all respects for a smaller sum than is actually advanced thereon, the security shall be deemed an authorized investment for the smaller sum, and the trustee shall only be liable to make good the sum advanced in excess thereof with interest.

(9) A trustee lending money on the security of any leasehold property shall not be chargeable with breach of trust only upon the grounds that in making the loan the trustee dispensed either wholly or partly with the production or investigation of the lessor’s title.

(10) A trustee shall not be chargeable with breach of trust only upon the grounds that in effecting the purchase, or in lending money upon the security, of any property he has accepted a shorter title than the title which a purchaser is, in the absence of a special contract, entitled to require, if in the opinion of the court the title accepted be such as a person acting with prudence and caution would have accepted.

(11) The provision of this section shall apply to the transfer of existing and new securities and to investments made prior to the commencement of this Act.

**CLAUSE 54**

**THAT,** Clause 54 of the Bill be amended in sub-clause (1) by inserting the words "Subject to this Act and any other written law" immediately before the words "where a trustee".
