5. PETITIONS

The Speaker conveyed the following Petition –

On unfair lending and Asset Financing Practices by Mogo Auto Limited

Honourable Members, Article 119 of the Constitution accords any person the right to Petition Parliament to consider any matter within its authority. Further, Standing Order 225(2)(b) requires the Speaker to report to the House any Petition other than that presented by a Member.

Honourable Members, I wish to report to the House that my office has received a Petition from Mr. Charles Gishira, the National Executive Chairperson of the Kenya Bodaboda Riders and Owners Association, representing bodaboda riders, owners, operators and other key road safety stakeholders across the country. The petitioner seeks the intervention of the National Assembly regarding persistent complaints and grievances raised by members of the Association against MOGO Auto Limited, a company operating in Kenya and engaged in the provision of asset financing and lending services.

Honourable Members, the petitioner raises concerns regarding MOGO Auto Limited's compliance with the regulatory framework governing lending and asset financing, including whether the interest rates and charges levied align with the requirements administered by the Central Bank of Kenya. The petitioner alleges that the company imposes excessively high interest rates and other charges exposing borrowers to financial hardship and exploitation. He cites inadequate disclosure of loan terms, repayment obligations, and associated charges thereby limiting borrowers' ability to make informed financial decisions and undermining consumer rights guaranteed under Article 46 of the Constitution. The petitioner claims that borrowers are not provided with logbooks despite making substantial repayments towards the financed motorcycles, and that recovery practices against defaulting borrowers are unfair and oppressive.

The petitioner also raises concerns regarding the protection and handling of customers' personal data, in breach of data protection laws, particularly the collection, processing,

storage, and sharing of such data. He questions the effectiveness of tracking devices installed on financed motorcycles and the procedures governing insurance claims and compensation in cases of theft, loss or accidents involving financed assets. The Association states that its members have reported instances in which, despite making substantial repayments that exceed the value of the financed motorcycles, they ultimately do not acquire ownership of the assets. He alleges that motorcycles are repossessed immediately upon default; stolen motorcycles are not recovered despite being equipped with tracking devices; and borrowers are pursued for repayments notwithstanding insurance compensation, leading to adverse credit listings.

The petitioner states that efforts have been made to address these grievances, including through engagement with the Departmental Committee on Finance and National Planning. However, they allege that MOGO Auto Limited failed to attend the committee meetings convened to address the concerns raised. The petitioner, therefore, prays that the National Assembly investigate the operations of MOGO Auto Limited with a view to establishing its compliance with the applicable legal and regulatory framework governing lending and asset financing services, and recommends appropriate legislative, regulatory, and administrative measures to protect *bodaboda* riders and other borrowers from exploitation, intimidation, and unfair business practices.

Honourable Members, having determined that the matters raised by the petitioner fall squarely within the authority of this House and that the issues raised in the Petition are not pending before any court of law, constitutional body, or other legal entity, I hereby commit the Petition to the Public Petitions Committee and the Departmental Committee on Finance and National Planning for consideration pursuant to Standing Order 208A. The Committee is required to consider the Petition and report its findings to the House and the petitioner in accordance with Standing Order 227(2).
