22. **MOTION - DELINKING JUNIOR SECONDARY SCHOOLS FROM PRIMARY SCHOOLS**

(Sen. Mwenda Gataya Mo Fire, MP)

**THAT, AWARE** that, the Ministry of Education in Kenya, introduced Junior Secondary Schools (JSS) as part of the Competency-Based Curriculum (CBC) implementation marking a major milestone for the country's education system, and a key opportunity to improve the quality of education available to students;

**APPRECIATING THAT**, the Junior Secondary Schools program play a vital role in shaping the academic trajectory of learners by providing students with a strong foundation in core subjects, helping them develop essential skills and offering them opportunities to participate in extracurricular activities promoting greater social inclusion;

**CONCERNED THAT**, the integration of Junior Secondary Schools within primary school setups has posed major challenges for Junior Secondary teachers, including inadequate training on the new competency-based curriculum, limited opportunities for career advancement, conflict in leadership, decision-making and resource allocation leading to strained relationships with head teachers;

**FURTHER CONCERNED THAT** Junior Secondary Schools (JSS) face critical shortages in essential infrastructure such as laboratories, libraries, ICT hubs, and science equipment necessary for the implementation of the JSS curriculum, coupled with inadequate access to approved learning materials and teaching resources, resulting in inconsistencies in curriculum delivery hindering effective teaching, learning, and overall student development;

...../**Motions**

**NOW THEREFORE**, the Senate resolves that the Ministry of Education, the Teachers Service Commission and the Kenya Institute of Curriculum Development should: -

- i) Provide for an independent administrative and operational framework for Junior Secondary Schools to enhance governance, streamline management, and create a more focused learning environment for the learners;
- ii) Allocate adequate funds for the construction and equipping of Junior Secondary Schools with essential facilities such as science labs, libraries and ICT rooms, and provide adequate learning materials relevant with the curriculum;
- iii) Offer professional development programs for Junior Secondary School teachers to help them specialize in specific subjects to effectively implement the JSS curriculum;
- iv) Develop a clear career progression framework for Junior Secondary School teachers, including opportunities for promotions and additional responsibility allowances;
- v) Formulate clear policies and guidelines outlining the structure, curriculum, and management of Junior Secondary Schools; and
- vi) Ensure an optimal teacher-student ratio to facilitate personalized student attention and effective learning.

23. **MOTION - IMPROVING ACCESS TO CLEAN WATER AND SANITATION SERVICES IN INFORMAL SETTLEMENTS IN NAIROBI CITY COUNTY AND OTHER COUNTIES**

(Sen. Catherine Mumma, MP)

**THAT, AWARE THAT** Article 43(1)(d) of the Constitution guarantees every person the right to clean and safe water in adequate quantities and to reasonable standards of sanitation;

**COGNIZANT THAT** under the Fourth Schedule to the Constitution, county governments are responsible for county water and sanitation services, while the National Government is responsible for water resources management, policy and regulation, and that the Water Act, 2016 and the National Water Policy provide the framework for universal, equitable and sustainable access to water and sanitation services, thereby requiring effective intergovernmental coordination to ensure equitable access to such services;

**CONCERNED THAT** despite the existing constitutional, legal and policy framework, many residents of informal settlements in Nairobi City County continue to experience inadequate, unreliable, unsafe and unaffordable access to water and sanitation services due to inadequate infrastructure, weak implementation and insufficient investment in water supply and sanitation infrastructure and service delivery;

...../Motion

**APPRECIATING THAT** expanding water and sanitation infrastructure, strengthening public-private-community partnerships and promoting community participation can significantly improve access to affordable, safe and sustainable water and sanitation services within informal settlements;

**NOW THEREFORE, THE SENATE** resolves that the Nairobi City County Government, through the Nairobi City Water and Sewerage Company, in collaboration with the Ministry of Water, Sanitation and Irrigation, the Athi Water Works Development Agency, the Water Resources Authority and other relevant agencies —

1. Develops and implements a County Water and Sanitation Improvement Plan with clear targets, timelines and financing for expanding water and sewerage services to informal settlements;
2. Strengthens water supply infrastructure, sewerage networks and sanitation facilities, while promoting appropriate low-cost and innovative service delivery models;
3. Establishes transparent regulatory and consumer protection measures to curb illegal water connections, exploitation through informal water vending, inflated tariffs and unsafe water supply practices; and
4. Deploys, in collaboration with the Water Resources Authority, adequate financial, technical and institutional resources to restore and protect urban rivers and water catchment areas within Nairobi City County through strengthened enforcement against pollution, rehabilitation of riparian ecosystems and sustained investment in water resource protection, so as to ensure a reliable and sustainable supply of clean and safe water to residents of Nairobi City County.
