

REPUBLIC OF KENYA

THIRTEENTH PARLIAMENT – (FIFTH SESSION)

THE NATIONAL ASSEMBLY

ORDERS OF THE DAY

WEDNESDAY, OCTOBER 07, 2026 AT 9.30 A.M.

ORDER OF BUSINESS

PRAYERS

1. Administration of Oath
2. Communication from the Chair
3. Messages
4. Petitions
5. Papers
6. Notices of Motion
7. Questions and Statements

8*. THE SEXUAL OFFENCES (AMENDMENT) BILL (NATIONAL ASSEMBLY BILL NO. 50 OF 2025)

(The Hon. Udgoon Siyad, M.P.)

Second Reading

*(Resumption of debate interrupted on Wednesday, September 30, 2026 – Morning Sitting)
(Balance of time – 2 hours 45 minutes)*

9*. THE HARM REDUCTION BILL (NATIONAL ASSEMBLY BILL NO. 37 OF 2025)

(The Hon. Esther Passaris, M.P.)

Second Reading

10*. MOTION: 002/2026 – FORMULATION OF A POLICY ON STRUCTURED ENGAGEMENT OF NATIONAL YOUTH SERVICE GRADUATES AS SECURITY OFFICERS IN GOVERNMENT INSTITUTIONS

(The Hon. Gertrude Mbeyu, M.P.)

THAT, aware that approximately 18,000 youth graduate from the National Youth Service (NYS) annually; further aware that, Article 55 of the Constitution requires the State to take measures, including affirmative action programmes to ensure that the youth access training, employment and opportunities to participate fully in the social, economic and political life of the nation; appreciating that, the Government has in the

recent years rolled out deliberate programmes aimed at equipping NYS graduates with skills for employment into the disciplined services and key sectors which include agriculture, construction and security; noting that, government institutions continue to engage private security firms to supplement uniformed officers in providing security services, thereby incurring significant recurrent expenditure; further noting that, the NYS graduates possess foundational training in discipline, security awareness, public service ethics and emergency response, making them suitable for deployment within government institutions; recognising that, there is need to have a balanced approach that promotes youth employment through structured engagement of the NYS graduates, while preserving opportunities for private security firms to continue to operate and partner with government institutions; this House therefore **resolves** that the National government develops and implements a policy framework and guidelines to steer government ministries, departments, agencies, on—

- (i) prioritisation of engagement of the National Youth Service graduates to provide supplementary security services to public entities;
- (ii) the criteria for determination of a formula for allotment of a quota of provision of security services in public entities to the NYS graduates, and private security services firms; and
- (iii) modalities for structured recruitment, deployment and terms of service, including remuneration, training and career progression for NYS graduates engaged to provide supplementary security to government entities.

11*. MOTION: 003/2026 – FORMULATION OF A POLICY ON POWER SUBSIDIES FOR EXPORT-ORIENTED AGRICULTURAL PRODUCTION
(The Hon. Gathoni Wamuchomba, M.P.)

THAT, aware that agriculture remains the backbone of Kenya's economy, contributing substantially to the GDP, rural employment, and foreign exchange earnings, with key export crops such as coffee, tea, avocados, cut flowers, macadamia nuts, cashew nuts, and related horticultural produce collectively accounting for a significant share of the country's total export value; further aware that these commodities are largely produced for the export market, positioning Kenya as a global leader in cut-flower exports, one of Africa's largest producers and exporters of avocados and macadamia nuts, and a major supplier of tea and coffee; noting that the commencement of duty-free access to the Chinese market for these products effective May 2026 presents a historic opportunity to widely expand export earnings, create thousands of rural jobs, promote value addition, and strengthen the country's position in global agricultural trade; concerned that the high cost of electricity in Kenya, as evidenced by commercial and industrial rates significantly exceeding those of regional competitors such as Ethiopia and Tanzania, continues to erode the competitiveness of export-oriented agriculture by inflating the costs of critical operations such as irrigation, cold-chain storage and logistics, processing, drying, grading, packaging, and other value-addition activities essential for meeting stringent international quality, food safety, and phytosanitary standards; cognisant that affordable and reliable power supply is a critical input for smallholder farmers, farmer cooperatives, aggregators, and agro-processors engaged in these export crops; further cognisant that the lack of targeted

electricity subsidies has led to reduced profitability, discouraged investment in modern technologies such as solar-assisted irrigation and energy-efficient cold rooms, and increased vulnerability to global price volatility and climate shocks; acknowledging that whereas, the National Energy Policy 2025–2034 and the Policy Framework for Sustainable Financing and Subsidy Management in Agriculture provide a broad foundation for targeted interventions, no specific mechanisms exist on subsidised electricity tariffs exclusively for export-oriented agricultural production, processing, and related infrastructure; now therefore, this House **resolves** that the Cabinet Secretary for Energy and Petroleum formulates a National Policy on Power Subsidies for Export-Oriented Agricultural Production that provides for tiered electricity tariff subsidies including off-peak and time-of-use rates, exclusively for registered producers, cooperatives, processors and exporters of coffee, tea, avocados, cut flowers, macadamia nuts, cashew nuts and other designated export crops.

12*. MOTION: 006/2026 – NATIONAL SENSITISATION AND SUPPORT FOR COMBATING SICKLE CELL AND HAEMOPHILIA DISEASES

(The Hon. Peter Nabolindo, M.P.)

THAT, aware that Article 43(1) of the Constitution entitles every person to the right to the highest attainable standard of health, which includes the right to health care services; further aware that, every year, an estimated 14,000 children born in Kenya suffer from sickle cell and haemophilia diseases, with the highest prevalence rate being within Western, Nyanza and Coastal Regions; concerned that, failure to undertake sickle cell and haemophilia screening at birth hinders timely administration of appropriate treatment and other mitigation measures to forestall high infant mortality caused by preventable diseases like malaria; cognizant that, national population surveys does not include data on sickle cell and haemophilia diseases; concerned that, the dearth of data and information negatively hinders prioritization of resources and implementation of sickle cell disease management programs; recognizing that, the number infant deaths caused by the disease continues to grow as a result of underfunding due to lack of data on the number of cases of the killer disease; now therefore, this House **resolves** that the National Government, through the Ministry of Health, and in conjunction with county governments–

- (i) conducts awareness and sensitization programmes on sickle cell and haemophilia diseases and supports research and training for medical personnel on the two diseases; and
- (ii) puts in place measures for mandatory screening of newborns sickle cell and haemophilia diseases in all public health facilities in the country in order to create a database to guide funding and other interventions aimed at curbing the diseases and reducing infant mortalities resulting from the diseases.
