5. **COMMUNICATIONS FROM THE CHAIR**

The Speaker issued the following Communications –

(i) **Resumption Of Sittings for The Third Part of The Fifth Session**

“Honourable Members,

I wish to welcome you back to the House for the Third and final Part of the Fifth Session of the 13th Parliament. It is my hope that, while undertaking your parliamentary duties in the constituencies, you were able to rest and spend quality time with your families.

I am also optimistic that you are rejuvenated and prepared to engage in the demanding legislative agenda that lies ahead. As we commence this Part of the Fifth Session, the House is expected to consider priority business, including matters currently under consideration by Committees. In view of the limited period remaining before the conclusion of the Session, it is imperative for the House and its Committees to prioritise pending legislative and oversight business to ensure its expeditious conclusion.

Notably, **Honourable Members**, during this Part, the House is expected to commence consideration of the Budget Policy Statement and related fiscal framework for the Financial Year 2026/2027. Given the anticipated electoral calendar, the House will be required to undertake this process with efficiency and diligence, with a view to concluding consideration of all budget-related matters by end of March 2027, as indeed noted by the Liaison Committee during its August Recess Retreat.

With respect to electoral reforms, I have referred proposals received from the Independent Electoral and Boundaries Commission (IEBC) to the Departmental Committee on Justice and Legal Affairs for consideration. The Committee is expected to review the proposals and recommend to the House any appropriate amendments for inclusion in the **Elections (Amendment) (No. 2) Bill (Senate Bill No. 29 of 2024)** that forms part of the priority business for this Part of the Session.

Honourable Members, as the House resumes, I urge Members to build on the industry and commitment demonstrated during the Second Part, which enabled the House to transact substantial business. That commitment led to the passage of the following key Bills, prior to the recess:

- (a) The Kenya National Council for Population and Development Bill (National Assembly Bill No. 72 of 2023);
- (b) The Public Finance Management (Amendment) (No. 4) Bill (National Assembly Bill No. 45 of 2024);
- (c) The Trust Administration Bill (National Assembly Bill No. 29 of 2026); and
- (d) The Air Passenger Service Charge (Amendment) Bill (National Assembly Bill No. 56 of 2026).

Pursuant to the provisions of the Constitution, I presented the four (4) Bills to H.E. the President on 8th September 2026. The Bills were assented to and are now Acts of Parliament.

I thank you, Hon. Members, and welcome you back to the House.”
