10*. MOTION: 006/2026 – NATIONAL SENSITISATION AND SUPPORT FOR COMBATING SICKLE CELL AND HAEMOPHILIA DISEASES
(The Hon. Peter Nabulindo, M.P.)

THAT, aware that Article 43(1) of the Constitution entitles every person to the right to the highest attainable standard of health, which includes the right to health care services; further aware that, every year, an estimated 14,000 children born in Kenya suffer from sickle cell and Haemophilia diseases, with the highest prevalence rate being

within Western, Nyanza and Coastal Regions; concerned that, failure to undertake sickle cell and Haemophilia screening at birth hinders timely administration of appropriate treatment and other mitigation measures to forestall high infant mortality caused by preventable diseases like malaria; cognizant that, national population surveys does not include data on sickle cell and Haemophilia diseases; concerned that, the dearth of data and information negatively hinders prioritization of resources and implementation of sickle cell disease management programs; recognizing that, the number infant deaths caused by the disease continues to grow as a result of underfunding due to lack of data on the number of cases of the killer disease; now therefore, this House **resolves** that the National Government, through the Ministry of Health, and in conjunction with county governments–

(i) conducts awareness and sensitization programmes on sickle cell and haemophilia diseases and supports research and training for medical personnel on the two diseases; and

(ii) puts in place measures for mandatory screening of newborns sickle cell and haemophilia diseases in all public health facilities in the country in order to create a database to guide funding and other interventions aimed at curbing the diseases and reducing infant mortalities resulting from the diseases.
